Sports Tourism and Event Management Melville Saayman,2012-08-01 The importance of Sport Tourism as a developing
science and Sport Events specifically is on the increase This is especially true when experts say that sport tourism is big
business South Africa like most other countries hosts thousands of sport events each year Therefore destinations compete
fiercely not only to host these events but also to offer quality events All this is happening despite the fact that there is a lack
of properly trained sport and event managers Therefore the purpose of this book is to equip the reader with specific
knowledge and skills about the sport and events tourism phenomenon The book deals with a wide variety of topics stretching
from the history of sport tourism to new and globally important issues such as the greening of sport events The book is a
useful tool for both students and practitioners alike since it also provides guidelines and case studies [Children's Books in](#)
