draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an
Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass
spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the
social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from
being the malleable victim before World War II to the international techno savvy figure in today s crime novels She explores
the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre
particularly in recent years Worldwide terrorism and economic domination prevail as the most common sources of narrative
tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam
skepticism Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and
popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners
