Snapshots Gerald W. Haslam, 1985 The Other California Gerald W. Haslam, 1994 Oildale native Gerald Haslam doesn't like it when folks dismiss the Central Valley as boring and flat In this collection of essays he argues that it is California's heartland and economic hub In addition the valley has produced a crop of gifted writers These nineteen essays range from reminiscences of childhood and adolescence to a portrait of Mexican Americans and their position in the Valley's society to a moving essay about having the author's aging father come to live with the family Even if you have never lived in the Valley reading this book will give you an entirely new perspective the next time you drive into it **Latino Writers and**

Journalists Jamie Martinez Wood, 2014-05-14 Provides short biographies of Latino American writers and journalists and information on their works **Updating the Literary West**, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister *A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance
