their 30 s and 40 s out there snore 59% of the people when asked admitted that their partners snored 59% of the partners immediately replied indignantly that they did not snore But it is true and snoring is one of the reasons why so many people suffer from sleepless nights and doctors are looking for ways and means in which the snoring sound can be moderated or stopped The Idler Jerome Klapka Jerome,Robert Barr,1896 *The Idler* ,1896 *Snore Wars!* Dr. Michael Oko MBBS FRCS(Ed) FRCS (ORL-HNS),2025-01-20 This book could save your relationship your job your health and even your life Sleep apnoea is one of the most dangerous and least understood of sleep disorders But it s one everyone should be talking about not least because its main symptom causes the biggest battle in the bedroom snoring Apnoea means the temporary cessation of breathing and that s serious It impacts the oxygen getting into your body which affects the whole body and puts your brain and heart particularly at risk It s a not so silent epidemic The impact is devastating Lack of sleep affects how we function physically mentally and emotionally And because snoring is so disruptive the problem can be just as serious for the partner as for the snorer themselves You deserve better and so does your partner Discover how to solve sleep apnoea and change everything Dr Michael Oko is a leading consultant ENT specialist He worked as an advisor on OSA for the Department of Health and in 2023 became a founding member of the All Parliamentary Working Group as the ENTUK representative to advise the House of Lords and Parliament on sleep apnoea *How to Overcome Snoring* Ronald Alan Duskis,2000-06 This exciting book reveals plenty of ways to help the snorer It shows what causes snoring so that the reader can lessen or eliminate the snoring This book also has certain surprises in it animals that snore a contest of the loudest snorers and much more This is a book that everyone can use It even gives you insight on how to work with the snorer while he or she is in the process of overcoming that too familiar sound *International Journal of Medicine and Surgery ...* ,1899 Vol 9 26 include Monthly index of surgery and gynecology
