The Turning Tim Winton, 2006-10-10 The author of *Dirt Music* and *The Riders* captures the urgency of memory and the way an entire life can be shaped by one event from the past in this capsule of connected stories set on the coast of Western Australia Tim Winton's stunning collection of connected stories is about turnings of all kinds changes of heart slow awakenings nasty surprises and accidents sudden detours resolves made or broken Brothers cease speaking to each other husbands abandon wives and children grown men are haunted by childhood fears People struggle against the weight of their own history and try to reconcile themselves to their place in the world With extraordinary insight and tenderness Winton explores the demons and frailties of ordinary people whose lives are not what they had hoped Spend Game Jonathan Gash, 2013-03-21 When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor's bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men

Eating Disorders and Child Sexual Abuse Lisa Hodge, 2021-03-10 This book takes up the challenge of examining women's understandings of eating disorders and child sexual abuse away from a framework focused on pathology The central argument is that women's distress is an enactment of their engagement with certain discourses and practices rather than a reaction triggered by child sexual abuse Guided by a contemporary feminist framework and Mikhail Bakhtin's sociological linguistics to substantiate the argument women's own poetry and drawings are used as evidence to develop support and supplement research findings The book establishes that an eating disorder is an understandable response to sexual trauma and shifts the focus away from a damaged personality Even more importantly it demonstrates that women with eating disorders are using their bodies as a form of resistance to express silenced traumas that remain in the silenced female body This is an active way of making sense of experiences of child sexual abuse

Indictment for Murder Peter Rawlinson, 2025-10-16 In this startling novel Rawlinson superbly examines the moral dilemma of ends and means and offers an insightful exploration of the darker human tendencies Between compelling courtroom scenes and powerful flashbacks to the War Indictment for Murder is a tale of high suspense and devastating revelation In the past he had been seated on the judge's bench looking towards the dock in which he now stood He turned and faced the clerk who asked a fourth time How say you Are you Guilty or Not Guilty Jonathan Playfair Knight of the Realm sometime Judge of the High Court is standing trial for the murder of David Trelawney The two once fought side by side in the mountains of North Africa and the death of David 50 years later unearths the tainted details of their past together While the Prosecutor tells the court of Trelawney's death Jonathan is far away in the recesses of his mind where memories from North Africa long buried pierce and consume him where he cannot escape having witnessed another man's death in this dark Africa of 50 years past
