Social Change In Southeast Asia New Perspectives:

Social Change in South East Asia Jacques Hersh, Johannes Dragsbaek Schmidt, Niels Fold, 2018-10-08 Provides a comprehensive and in depth examination of the ongoing process of development and societal transformation in a dynamic region of the Third World Written by a team of specialists from the fields of development studies sociology and political economy the book looks at some of the fundamental problems facing South East Asia by addressing the following issues the social constellations class culture and political legitimation and industrialisation and labour regulation *New Perspectives in Southeast Asian and Pacific Prehistory* Philip J. Piper, Hirofumi Matsumura, David Bulbeck, 2017-03-24 This volume brings together a diversity of international scholars unified in the theme of expanding scientific knowledge about humanity's past in the Asia Pacific region The contents in total encompass a deep time range concerning the origins and dispersals of anatomically modern humans the lifestyles of Pleistocene and early Holocene Palaeolithic hunter gatherers the emergence of Neolithic farming communities and the development of Iron Age societies These core enduring issues continue to be explored throughout the vast region covered here accordingly with a richness of results as shown by the authors Befitting of the grand scope of this volume the individual contributions articulate perspectives from multiple study areas and lines of evidence Many of the chapters showcase new primary field data from archaeological sites in Southeast Asia Equally important other chapters provide updated regional summaries of research in archaeology linguistics and human biology from East Asia through to the Western Pacific Mike T Carson Associate Professor of Archaeology Micronesian Area Research Center University of Guam *A New Perspective on Human Mobility in the South* Rudolf Anich, Jonathan Crush, Susanne Melde, John O. Oucho, 2014-07-22 This book offers innovative insights on South South human mobility It features a collection of papers that highlight often overlooked mobility patterns among and within regions in the global South as well as address critical realities faced by South South migrants This publication thoroughly investigates key issues of the migration debate spanning from the terminological and contextual meaning of migration and development It also critically examines some of the key features that human mobility in the global South is characterized by including the prevalence of intra regional and labor mobility the role of diasporas communities in developing countries South South remittances patterns the influence of environmental factors on the decision to migrate and the rising number of child migrants By carefully moving the lens from the frequently examined South North and North North movements to human mobility within the Southern regions of the world this book questions the traditional conception of the migration paradigm It offers knowledge and insights that will help to expand the debate as well as stimulate further research on this important topic and hopefully promote future activities aimed at the protection of migrants and their families living in the South As a result it is an ideal resource for migration scholars policy makers and development practitioners **The Geography of Southeast Asia** Thomas A. Rumney, 2010-04-07 In *The Geography of Southeast Asia* Rumney discusses an area that has long been of interest to

geographers and other academics As interest in Southeast Asia has grown particularly over the past forty years the volume and variety of scholarly publications on the varied geographical aspects of the region have also increased This collection is an attempt to identify organize and present as many of these works as possible The region as a whole and each individual country of the area are covered in individual chapters Each chapter is further systematically organized by topic including general works cultural social geography economic geography historical geography physical geography political geography and urban geography This book presents a myriad of sources such as atlases books chapters articles dissertations and theses are included as well as works written in English French German and other languages providing the reader with a thorough view of Southeast Asian geography

New Perspectives on the History and Historiography of Southeast Asia Michael Arthur Aung-Thwin, Kenneth Hall, 2011-05-13 Using a unique old new treatment this book presents new perspectives on several important topics in Southeast Asian history and historiography Based on original primary research it reinterprets and revises several long held conventional views in the field covering the period from the classical age to the twentieth century Chapters share the approach to Southeast Asian history and historiography namely giving agency to Southeast Asia in all research analysis writing and interpretation The book honours John K Whitmore a senior historian in the field of Southeast Asian history today by demonstrating the scope and breadth of the scholar s influence on two generations of historians trained in the West In addition to providing new information and insights on the field of Southeast Asia this book stimulates new debate on conventional ideas evidence and approaches to its teaching research and understanding It addresses and in many cases revises specific critically important topics in Southeast Asian history on which much conventional knowledge of Southeast Asia has long been based It is of interest to scholars of Southeast Asian Studies as well as Asian History

Inequality, Crisis and Social Change in Indonesia Thomas Reuter, 2003-09-02 Indonesia has experienced a quick succession of new governments and fundamental reforms since the collapse of Suharto s dictatorial regime in 1998 Established patterns in the distribution of wealth power and knowledge have been disrupted altered and re asserted The contributors to this volume have taken the unique opportunity this upheaval presents to uncover social tensions and fault lines in this society Focusing in particular on disadvantaged sectors of Balinese society the contributors describe how the effects of a national economic and political crisis combined with a variety of social aspirations at a grass roots level to elicit shifts in local and regional configurations of power and knowledge This is the first time that many of them have been able to disseminate their controversial research findings without endangering their informants since the demise of the New Order regime

Archaeological Perspectives on the Southern Appalachians Ramie A. Gougeon, Maureen Meyers, 2015-03-10 This volume demonstrates how archaeologists working in the Southern Appalachian region over the past 40 years have developed rich interpretations of prehistoric and historic Southeastern Native societies by examining them from multiple scales of analysis The end results of these examinations demonstrate both the uses and the constraints of multiscalar
