Multicultural Literature for Latino Bilingual Children Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro González, 2015-11-25 While there are volumes that fall into the category of children s literature there appears to be relatively few that explore the needs of bilingual learners and the linguistic and sociocultural context of Latino children s literature This volume makes a needed contribution by addressing the social cultural academic and linguistic needs of Latino bilingual learners who are still underserved through current school practices We aim to conceptualize different forms of social knowledge so that they can serve as cultural resources for learning acquiring knowledge and transforming self and identity This volume presents a balance of theory research and practice that speak to authentic multicultural Latino literature and helps ensure its availability for all students The intended outcome of this volume then is to create a heightened awareness of the cultural and linguistic capital held by the Latino community to increase Latino students social capital through the design of critical pedagogical practices and for the formulation of a new perspective that of Latino multicultural literature for children

Rulers of Literary Playgrounds Justyna Deszcz-Tryhubczak, Irena Kalla, 2020-10-29 Rulers of Literary Playgrounds Politics of Intergenerational Play in Children s Literature offers multifaceted reflection on interdependences between children and adults as they engage in play in literary texts and in real life This volume brings together international children s literature scholars who each look at children s texts as key vehicles of intergenerational play reflecting ideologies of childhood and as objects with which children and adults interact physically emotionally and cognitively Each chapter applies a distinct theoretical approach to selected children s texts including individual and social play constructive play or play deprivation This collection of essays constitutes a timely voice in the current discussion about the importance of children s play and adults contribution to it vis vis the increasing limitations of opportunities for children s playful time in contemporary societies

Education and the Social Construction of 'Race' (RLE Edu J) Peter Figueroa, 2012-06-14 Does the education system help or hinder the fight against racism This volume provides a constructive critique of the Swan Report of 1985 and of sociological research into racial and ethnic relations The author undertakes a searching philosophical and sociological analysis of multicultural and antiracist education He shows how the education system itself can reinforce racist assumptions and behaviour in society but also argues that through educational and social reconstructing it can promote constructive cross cultural relations

The Social Construction of Democracy George Reid Andrews, Herrick Chapman, 1997-05 The recent revival of democracy across much of the globe and the fragility of many of the

new regimes have inspired renewed interest in the origins of dictatorship and democracy in modern times This book assembles renowned specialists on Eastern and Western Europe the U S Latin America and Japan to explore why democracies have succeeded and why they have failed over the past 100 years Critical Literacy, Schooling, and Social Justice Allan Luke, 2018-01-17 In the World Library of Educationalists series international scholars themselves compile career long collections of what they judge to be their finest pieces extracts from books key articles salient research findings major theoretical and or practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands of their work and see their contribution to the development of a field as well as the development of the field itself Allan Luke s work on critical literacy schooling and equity has influenced the fields of literacy education teacher education educational sociology and policy for over three decades This volume brings together Allan Luke s key writings on literacy and schooling Chapters cover a range of topics and theories including the development and application of a social and cultural analysis of literacy education and schooling a primer on literacy as a social construction classroom based case studies of literacy teaching and learning major theoretical and philosophic essays practical programmatic work on school reform and enabling curriculum policies and classroom approaches to teaching critical literacy and multiliteracies Children's Literature and Intergenerational Relationships Justyna Deszcz-Tryhubczak, Irena Barbara Kalla, 2021-04-23 Children s Literature and Intergenerational Relationships Encounters of the Playful Kind explores ways in which children s literature becomes the object and catalyst of play that brings younger and older generations closer to one another Providing examples from diverse cultural and historical contexts this collection argues that children s texts promote intergenerational play through the use of literary devices and graphic formats and that they may prompt joint play practices in the real world The book offers a distinctive contribution to children s literature scholarship by shifting critical attention away from the difference and conflict between children and adults to the exploration of inter age interdependencies as equally crucial aspects of human life presenting a new perspective for all who research and work with children s culture in times of global aging Ethnographic Research in the Social Sciences Madhulika Sahoo, S. Jeyavelu, Anjali Kurane, 2023-06-14 This book is an essential guide to scientifically conducting contemporary ethnographic research at undergraduate postgraduate and doctoral levels in the social sciences the humanities and business studies It addresses the methodological challenges of ethnographic research across the social sciences and highlights present time research areas including digital ethnography artificial intelligence classroom pedagogy hybrid organization and many more This volume is divided into three parts and can be a single source of reference that Guides students through essential theoretical and conceptual aspects of ethnography Demonstrates the usage of ethnography in allied disciplines psychology healthcare international border studies linguistic artificial intelligence and organizational behaviour Demonstrates the application of ethnographic research in the field Presents valuable lessons from fieldwork experiences by different scholars across a variety

of communities Includes dos and don ts for early career and first time researchers A step by step guide with student friendly text this book will be an essential supplementary reading across the social sciences and the humanities especially for those conducting fieldwork in the Global South *The Corsini Encyclopedia of Psychology, Volume 4* Irving B. Weiner,W. Edward Craighead,2010-01-19 Psychologists researchers teachers and students need complete and comprehensive information in the fields of psychology and behavioral science The Corsini Encyclopedia of Psychology Volume Four has been the reference of choice for almost three decades This indispensable resource is updated and expanded to include much new material It uniquely and effectively blends psychology and behavioral science The Fourth Edition features over 1 200 entries complete coverage of DSM disorders and a bibliography of over 10 000 citations Readers will benefit from up to date and authoritative coverage of every major area of psychology Science Literacy in Primary Schools and Pre-Schools Haim Eshach,2006-08-12 Science is more than a compilation of facts and figures although one would not know that from observing classroom lessons in science in elementary schools in many parts of the world In fact there are those who argue that science is not appropriate subject content for the early grades of elementary school There are many schools in which science is simply not present in the earliest grades Even where science is taught in the earliest grades it is often a caricature of science that is p sented to the children This book offers a vigorous reasoned argument against the perspective that s ence doesn t belong in the early grades It goes beyond that in offering a view of s ence that is both appropriate to the early grades and faithful to the nature of the scientific enterprise Dr Eshach is not a voice in the chorus that claims young ch dren s developmental lack of readiness for such study He believes as do I that in order to learn science one must do science At the heart of the doing of science is the act of exploration and theory formation To do science we must explore the ways in which the world around us looks sounds smells feels and behaves
