## **Social Welfare In Latin America Comparative Social Welfare Ser:**

**Social Welfare in Latin America** John Dixon, Robert P. Scheurell, 2016-03-22 First published in 1990 this book analyses social welfare in Latin America at that time For each country it considers the ideological framework underlying the social welfare system and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed This is followed by a consideration of the nature of different parts of the welfare system a survey of social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered

**Comparative Social Welfare** Various Authors, 2021-03-05 First published between 1985 and 1992 this set of books analyses social welfare in Asia the Middle East Africa Latin America highly developed economies and socialist countries at the time Each title considers the ideological framework underlying the social welfare system for each country and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed Contributions examine the nature of the different parts of the welfare system surveying social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered This set will be of interest to those studying international social welfare and development

*National Social Service Systems; a Comparative Study and Analysis of Selected Countries* Dorothy Lally, 1971 Comparison of social administration and social service programmes in 27 countries covers institutional frameworks social planning functions financing social research the training of social workers international cooperation etc Bibliography diagram references and statistical tables

*Ideal Types in Comparative Social Policy* Christian Aspalter, 2020-12-06 This book introduces readers to the world of ideal types within the readings of Max Weber by giving a theoretical understanding of ideal types as well as applying the development of ideal types to an array of social policy arenas The 21st century has seen the development of welfare regime analysis marked by two differing strands real typical welfare regime analyses and ideal typical welfare regime analysis the latter focusing on the formation development and application of ideal types in general comparative social policy Designed to provide new theoretical and practical frameworks as well as updated in depth developments of ideal typical welfare regime theory this book shows how Weber's method of setting up and checking against ideal types can be used in a wide variety of policy areas such as welfare state system comparison comparative social and economic development health policy mental health policy health care system analysis gender policy employment policy education policy and so forth The book will be of interest to all scholars and students working in the fields

of social policy including health policy public policy political economy sociology social work gender studies social anthropology and many more      **International Social Work** Lynne Moore Healy, Rebecca Leela Thomas, 2020 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book

**The Routledge International Handbook to Welfare State Systems** Christian Aspalter, 2017-01-12 Developing countries may not have full fledged welfare states like those we find in Europe but certainly they have welfare state systems For comparative social policy research the term welfare state systems has many advantages as there are numerous different types models of welfare state systems around the world This path breaking book edited by Christian Aspalter brings together leading experts to discuss social policy in 25 countries regions around the world From the most advanced welfare state systems in Scandinavia and Western Central Europe to the developing powers of Brazil China India Russia Mexico and Indonesia each country specific chapter provides a historical overview discusses major characteristics of the welfare state system analyzes country specific problems as well as critical current and future trends for further discussions while also providing one additional major focal point issue for greater in depth analysis This book breaks new ground in ideal typical welfare regime theory identifying now in total 10 worlds of welfare capitalism It provides broad perspectives on critical challenges which welfare state systems in the developing and developed world alike must address now and in the future It will be of great interest to all scholars and students of social policy social development development and health economists public policy health policy sociology social work and social policy makers and administrators This book is a reference book for researchers and social policy administrators it can also serve as a textbook for courses on comparative social policy international social policy and international social development      Social Work in East Asia Christian Aspalter, 2016-04-01

Owing to rapid economic development and the onset of population ageing social work has become a major means of delivering social services and relieving and preventing social problems at an individual family and community level in East Asia In addition to this the number of activities undertaken by social welfare NGOs has risen a great deal throughout East Asia resulting in a greater demand for professional social workers With governments across the region having discovered the beneficial effects of professional social work for both social integration and social harmony there is now greater support for the development of this academic discipline and profession This groundbreaking volume explores the current state of development of social work provision across the region It is the first book of its kind to investigate current and future trends

as well as the challenges and pitfalls of social work one of the fastest growing professions in East Asia      **International Social Work** Lynne M. Healy, 2008 International Social Work Professional Action in an Interdependent World is a comprehensive introduction that places social work history practice policy and education within an international perspective

**The ^AOxford Handbook of the Social Science of Poverty** David Brady, Linda M. Burton, 2016-01-29 The Oxford Handbook of the Social Science of Poverty builds a common scholarly ground in the study of poverty by bringing together an international inter disciplinary group of scholars to provide their perspectives on the issue Contributors engage in discussions about the leading theories and conceptual debates regarding poverty the most salient topics in poverty research and the far reaching consequences of poverty on the individual and societal level      *Social Policy in a Development Context*

T. Mkandawire, 2004-11-10 Drawing upon both conceptual and empirical evidence this volume argues the case for the centrality of social policy in development focusing particularly on the message that social policy needs to be closely intertwined with economic policy It is argued that social policy can provide the crucial link between economic development poverty eradication and equity This volume is a significant contribution to thinking about social policy in a development context      Pharmaceutical Autonomy and Public Health in Latin America

Matthew B. Flynn, 2014-12-05 Brazil has occupied a central role in the access to medicines movement especially with respect to drugs used to treat those with the human immunodeficiency virus HIV that causes the acquired immune deficiency syndrome AIDS How and why Brazil succeeded in overcoming powerful political and economic interests both at home and abroad to roll out and sustain treatment represents an intellectual puzzle In this book Matthew Flynn traces the numerous challenges Brazil faced in its efforts to provide essential medicines to all of its citizens Using dependency theory state theory and moral underpinnings of markets Flynn delves deeper into the salient factors contributing to Brazil s successes and weaknesses including control over technology creation of political alliances and instrumental use of normative frameworks and effectively explains the ability of countries to fulfill the prescription drug needs of its population versus the interests and operations of the global pharmaceutical industry Pharmaceutical Autonomy and Public Health in Latin America is one of the only books to provide an in depth account of the challenges that a developing country like Brazil faces to fulfill public health objectives amidst increasing global economic integration and new international trade agreements Scholars interested in public health issues HIV AIDS and human rights but also to social scientists interested in Latin America and international political economy will find this an original and thought provoking read      *Aid Activities in Latin America and the Caribbean 2002* OECD, 2004-05-18 Aid

Activities in Latin America and the Caribbean provides detailed information on individual foreign aid commitments i e intended disbursements of Official Development Assistance ODA and Official Aid OA to countries in Latin America and the

**Health, Civilization and the State** Dorothy Porter, 2005-08-10 This book examines the social economic and political issues of public health provision in historical perspective It outlines the development of public health in Britain Continental

Europe and the United States from the ancient world through to the modern state It includes discussion of pestilence public order and morality in pre modern times the Enlightenment and its effects centralization in Victorian Britain localization of health care in the United States population issues and family welfare the rise of the classic welfare state attitudes towards public health into the twenty first century

**Family-Centered Policies and Practices** Katharine Briar-Lawson, Hal A. Lawson, Charles B. Hennon, 2001-02-22 Analyzing the critical juncture of family centered policy and practice this book places the universal institution of the family in a global context By including a conceptual framework as well as practice components the authors offer an original multimodal approach toward understanding family centered policy practice from an international perspective It provides grassroots strategies for activists and practical guides for both students and practitioners and includes cutting edge interpretations of the impact of globalization on families social workers and other helping professionals and advocates

**Towards a Comparative Analysis of Social Inequalities between Europe and Latin America** Pedro López-Roldán, Sandra Fachelli, 2020-11-13 This open access volume identifies the common and specific aspects of social mechanisms that generate inequalities through comparative analyses of different dimensions in which inequalities are expressed It includes studies on social inequalities in 5 European and 5 Latin American countries along 11 thematic axes inequalities in the labour market and labour trajectories asymmetries in the relationship between training and employment inequalities in work and family life educational inequalities geographical and social inequalities ethnicity and language social inequalities migration and space uncertainty strategies resources and capabilities inequality of opportunity intergenerational social mobility social policies gender inequalities and research methodology This volume is the result of a large collaborative project on social inequality funded by the European Commission the International Network for Comparative Analysis of Social Inequalities Taking into account diverse perspectives and approximations the collaborators have created a general analytical framework as a model of analysis of social inequalities The various contributions in this volume help readers gain a global outlook and help reflect on social inequalities in a comparative perspective This volume addresses social science graduate and postgraduate students researchers social policy makers as well as a broader academic audience interested in social inequality

**Including the Poor** Michael Lipton, J. van der Gaag, 1993-01-01 Explores the role of government policy in economic development in the Republic of Korea The Republic of Korea has achieved economic success on many fronts Real GNP has tripled every decade since the 1960s A dynamic and flexible manufacturing sector now dominates the economy The benefits of growth have been widely distributed with a sharp decrease in poverty This study like others in the series seeks to draw lessons from such success and to identify and analyze the policies behind this strong economic performance Koreas development strategy and macroeconomic performance are outlined in Part I Several factors are seen to underlie strong growth including the maintenance of a stable macroenvironment flexible and pragmatic policies and investment in infrastructure and human capital Part II assesses the role played by industrial policy since 1961 Particular

attention is given to the Heavy and Chemical Industry HCI drive launched in 1973 to diversify and upgrade Korea's industrial sector. The authors note that while the HCI has been largely successful it also has been very costly, particularly to the financial sector. Part III outlines the role of institutions and the close relationships among the government, the bureaucracy and business. The key to Korea's rapid development, according to the authors, was the government's commitment to growth and its early focus on equity and wide distribution of the gains from growth. The authors also laud the efficiency and effectiveness of Korea's public and private sector institutions which they see as models for all developing nations.

**Party Systems in Latin America** Scott Mainwaring, 2018-02-08. Based on contributions from leading scholars, this study generates a wealth of new empirical information about Latin American party systems. It also contributes richly to major theoretical and comparative debates about the effects of party systems on democratic politics and about why some party systems are much more stable and predictable than others. *Party Systems in Latin America* builds on challenges and updates Mainwaring and Timothy Scully's seminal *Building Democratic Institutions: Party Systems in Latin America* (1995) which re-oriented the study of democratic party systems in the developing world. It is essential reading for scholars and students of comparative party systems, democracy and Latin American politics. It shows that a stable and predictable party system facilitates important democratic processes and outcomes but that building and maintaining such a party system has been the exception rather than the norm in contemporary Latin America.

Concise Encyclopedia of Comparative Sociology, 2014-05-12. The Concise Encyclopedia of Comparative Sociology presents the current state of knowledge in comparative sociology for students, scholars and the educated lay public. The major aim of comparative sociological research is to identify similarities and differences among societies, studying variation across both geographical regions and historical periods. This volume is divided into six broad categories: Theoretical and Methodological Issues in Comparing Societies; Comparative Historical Sociology; Comparing Institutions and Social Structures; Comparing Social Processes; Comparing Nation States and World Regions; and Biographies of Exemplary Comparative Sociologists. Nearly 60 essays written by distinguished experts in their fields focus on the first five categories while the biographical section contains forty biographies of both classical and contemporary sociologists who have made major contributions to comparative sociology. Contributors include David Baker, Wenda Bauchspies, Hans Peter Blossfeld, Harriet Bradley, Sandra Buchholz, Miguel Centeno, Karen Cerulo, Brett Clark, Amy Corming, William D. Antonio, Mario Diani, Mattei Dogan, Riley Dunlap, Shmuel Eisenstadt, Mike Featherstone, Claude Fischer, Joshua Fishman, William Gamson, Julian Go, Jack Goldstone, Ralph Grillo, John Hall, Steve Hall, Robert Heiner, Joseph Hermanowicz, Margret Hornsteiner, David Johnson, Andrew Jorgenson, Jack Levy, Robert Marsh, Bill McCarthy, David Johnson, James Midgley, Peter Mohler, Linda Molm, Benjamin Moodie, Victor Nee, Anthony Orum, William Outhwaite, Anthony Pogorelc, Harland Prechel, Danielle Resnick, Glenn Robinson, Luis Roniger, Thomas Saalfeld, Stephen Sanderson, Michelle Sandhoff, Masamichi Sasaki, Saskia Sassen, Andrew Savchenko, Harald Schoen, Howard Schuman, David Segal, Michael Siemon, Tom Smith, Joonmo Son.

Hendrik Spruyt Robert Stebbins George Steinmetz Piotr Sztompka Henry Teune Arland Thornton Kathleen Tierney Jonathan Turner Nicholas van de Walle Henk Vinken Veljko Vujačić Erich Weede Michel Wieviorka Ekkart Zimmermann     **The Vertical Mosaic Revisited** Richard Charles Helmes-Hayes, 1998-01-01 When The Vertical Mosaic first appeared in 1965 it became an instant classic Its key message was that Canada was not the classless democracy it fancied itself to be In fact Canada was a highly inequalitarian society comprising a vertical mosaic of distinct classes and ethnic groups This collection of papers by five of Canada's top sociologists subjects John Porter's landmark study to renewed scrutiny and traces the dramatic changes since Porter's time both in Canadian society and in the agenda of Canadian sociology Based on papers written for a conference held in commemoration of the thirtieth anniversary of The Vertical Mosaic's publication the five essays revisit the central themes of the original work including gender and race inequality citizenship and social justice and class power and ethnicity from the viewpoint of political economy An introduction by the editors provides a historical biography of Porter and discusses his influence on Canadian sociology     Local Politics and Social Policy in China Kerry E. Ratigan, 2022-08-04 Due to uneven economic reforms Chinese provinces have developed distinct approaches to governing that impact social policy priorities and policy implementation Ratigan shows how coastal provinces tended to prioritize health and education and developed a pragmatic policy style which fostered innovation and professionalism in policy implementation Meanwhile inland provinces tended to prioritize targeted poverty alleviation and affordable housing while taking a paternalist top down approach to implementation This book provides a quantitative analysis of provincial social policy spending in the 2000s and qualitative case studies of provinces with divergent approaches to social policy It highlights healthcare but also draws on illustrative examples from poverty alleviation education and housing policy By showing the importance of local actors in shaping social policy implementation this book will appeal to scholars and advanced students of Chinese politics comparative welfare studies and comparative politics
