

A cable-stayed bridge is shown against a sunset sky. The bridge's dark structure, including its tall pylon and stay cables, is visible on the left side. The sky transitions from a soft purple at the top to a bright orange near the horizon, where the sun is setting. The bridge's reflection is visible in the calm water below.

Never burn bridges. If it's a
faulty bridge then close it
off and let it fall on its own.
