The Brothers Behan:

The Brothers Behan Brian Behan, Aubrey Malone, 1998 Providing an accurate authentic portrayal of the famous Irish writer Analyses Brendan Behan through his work activities and his relationship with his brother **The Brothers Of Junior Doyle** E. K. Recknor, 2007-05-01 From the award winning author of The Legendary Kid Donovan comes the story of a man who has just found the family he never wanted After his father is mysteriously gunned down in the wild town Tombstone Arizona Paddy Doyle Junior s first instinct is to hunt down those responsible and send them to meet their maker Luckily for Junior he has a friend as wise as Wyatt Earp who knows a thing or two about violent vengeance to steer him away from this course of action With a new purpose in mind Junior looks into his father s past hoping to learn something about the mother he never knew who died when he was born only to discover that his entire life has been a lie His mother lives as do four brothers and a sister he never knew about And his father was never a miner but an outlaw who passed along his thieving sensibilities to Junior s brothers And when he s brought into the family business despite his misgivings Junior finds himself caught between the law and loyalty The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 *A Memoir* Tim Pat Coogan, 2008-09-23 From the personal to the political this is the much awaited memoir from Tim Pat Coogan Ireland s best known journalist broadcaster historian and bestselling biographer Tim Pat Coogan has not only reported the news he s been the news Through the Irish Press where he served as editor for twenty years he is renowned for bringing social and political change to Ireland He went on to play a vital role in bringing the IRA Sinn Fein to the peace talks table and has always been uniquely placed to comment authoritatively if not controversially on all aspects of Irish current affairs From personal to political his revelatory memoir gives genuine insight into the life and high profile career of a man at the centre of Irish politics and society *And Die in the West* Paula Mitchell Marks, 1996 The gunfight at the O K Corral has excited the imaginations of Western enthusiasts ever since that chilly October afternoon in 1881 when Doc Holliday and the three fighting Earps strode along a Tombstone Arizona street to confront the Clanton and McLauray brothers When they met Billy Clanton and the two McLaurys were shot to death the popular image of the Wild West was reinforced and fuel was provided for countless arguments over the characters motives and actions of those involved And Die

in the West presents the first fully detailed objective narrative of the celebrated gunfight of the tensions leading up to it and the bitter bloody events that followed Paula Mitchell Marks places the events surrounding the gunfight against a larger backdrop of a booming Tombstone and the fluid frontier environment of greed factions and violence In the process Marks strips away many of the myths associated with the famous gunfight and of the West in general **Gunman's Rhapsody** Robert B. Parker,2001-06-04 Spenser creator Robert B Parker turns his eye to the Old West with his stirring rendition of the legendary exploits of Wyatt Earp Doc Holliday the Clanton Gang and the fateful gunfight at the O K Corral *We Don't Know Ourselves* Fintan O'Toole,2022-03-15 NEW YORK TIMES BESTSELLER NEW YORK TIMES 10 BEST BOOKS OF THE YEAR NATIONAL BESTSELLER The Atlantic 10 Best Books of 2022 Best Books of the Year Washington Post New Yorker Salon Foreign Affairs New Statesman Chicago Public Library Vroman s L like reading a great tragicomic Irish novel James Wood The New Yorker Masterful astonishing Cullen Murphy The Atlantic A landmark history Leavened by the brilliance of O Toole s insights and wit Claire Messud Harper s Winner 2021 An Post Irish Book Award Nonfiction Book of the Year from the judges The most remarkable Irish nonfiction book I ve read in the last 10 years A book for the ages A celebrated Irish writer s magisterial brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world Fintan O Toole was born in the year the revolution began It was 1958 and the Irish government in despair because all the young people were leaving opened the country to foreign investment and popular culture So began a decades long ongoing experiment with Irish national identity In *We Don t Know Ourselves* O Toole one of the Anglophone world s most consummate stylists weaves his own experiences into Irish social cultural and economic change showing how Ireland in just one lifetime has gone from a reactionary backwater to an almost totally open society perhaps the most astonishing national transformation in modern history Born to a working class family in the Dublin suburbs O Toole served as an altar boy and attended a Christian Brothers school much as his forebears did He was enthralled by American Westerns suddenly appearing on Irish television which were not that far from his own experience given that Ireland s main export was beef and it was still not unknown for herds of cattle to clatter down Dublin s streets Yet the Westerns were a sign of what was to come O Toole narrates the once unthinkable collapse of the all powerful Catholic Church brought down by scandal and by the activism of ordinary Irish women in particular He relates the horrific violence of the Troubles in Northern Ireland which led most Irish to reject violent nationalism In O Toole s telling America became a lodestar from John F Kennedy s 1963 visit when the soon to be martyred American president was welcomed as a native son to the emergence of the Irish technology sector in the late 1990s driven by American corporations which set Ireland on the path toward particular disaster during the 2008 financial crisis A remarkably compassionate yet exacting observer O Toole in coruscating prose captures the peculiar Irish habit of deliberate unknowing which allowed myths of national greatness to persist even as the foundations were crumbling Forty years in the making *We Don t Know Ourselves* is a landmark work a memoir and a national history that ultimately reveals

how the two modes are entwined for all of us *Railway Conductors' Monthly*, 1885 *Irish Autobiography* Claire Lynch, 2009 No further information has been provided for this title **Paxton and the Freebooters** Kerry Newcomb, Frank Schaefer, 2015-03-10 On a lonely Caribbean island a teenage girl begins the adventure of a lifetime Raised on the tiny isle of Myster Marie Ravenne has spent her youth swimming in crystal blue water eating fresh fish and listening to stories of the days when her home was a haven for pirates In her seventeenth year that all comes to an end The Spanish sack Myster slaughtering Marie s family and burning their crops She and the other survivors are cast out in a rickety boat to take their chances on the high seas For her companions it is the end but for Marie the adventure is just beginning Rescued by an English lord she is taken to London where she tries to make sense of a country whose customs are entirely foreign to her Here she meets Jason Paxton a daring rake who will lead her back to the ocean to take her place upon the waves
