The Brothers Seven:

The Brothers Seven Aleksis Kivi, 2017-01-16 Seitsem n veljest The Brothers Seven the 1870 Finnish novel by Aleksis Kivi 1834 1872 is one of the most in famously unknown classics of world literature unknown not only because so few people in the world can read Finnish but also because the novel is so incredibly difficult to translate the Mount Everest of translating from Finnish It is difficult to translate not only because it blends a saturation in Homer Shakespeare Dante Cervantes and the Bible with a brilliantly stylized form of local dialect but because it is wild grotesque carnivalistic and laugh out loud funny on every page It has been translated 58 times into 34 languages but somehow the translations always seem to fall short of their flamboyant original Douglas Robinson s new translation is a bold attempt to remedy that He aims to make Kivi as rhythmic as alliterative as brash as grotesque and as funny in English as he is in Finnish Since Kivi deliberately used an archaic Finnish but used it playfully and since Kivi was steeped in Shakespeare to the point of memorizing whole plays Robinson translates him into a playful Shakespearean register As he notes in his Preface this makes the translation a bit difficult to read but the original is difficult for Finns to read as well and the Finnish readers who love Kivi and that is most of them read him with pleasure despite the words they don t know because his prose is so intensely alive **The Brothers Seven** ,2017 The Brothers Seven Michael Ball,2004-12 This is a story of justice and revenge American style Seven brothers decide to take on the crooked CEO s who are stealing from the American worker shareholder and communities and become popular Robin Hood figures in the eyes of the American people The action takes us inside the corporate conference rooms and secret meetings It gives us insight about how ruthless the CEO s of America have become It exposes the laws and corrupt systems that protect them from justice There is greed sex violence murder stealing heartbreak mystery technology and finally retribution for the American people The Brothers Seven throw fear into the hearts of every dishonest CEO in America It is thrilling to know someone can finally stand up to these corporate fat cats You will want to stand up and cheer for America the working man and The Brothers Seven The Brothers Seven Aleksis Kivi,1870 Brothers Behind Bars Mathias Ghyoot,2025-04-04 Brothers Behind Bars tells the harrowing yet fascinating story of the imprisonment of the Muslim Brotherhood the largest Islamist movement in Middle Eastern history in Egypt stretching from the Palestine war in 1948 to the consolidation of President Anwar al Sadat s rule in 1975 Drawing on more than three hundred prison memoirs written by Muslim Brothers and Sisters Mathias Ghyoot takes the reader on a rare journey behind the prison walls to show how radicals and moderates ministers and intelligence officers clerics and jailers were embroiled in an epic battle to define Islam in modern Egypt Ghyoot argues that Egypt s state institutions played a crucial role in shaping ideologies within the Muslim Brotherhood demonstrating how the institution of the prison became a critical site for the formation of political resistance in modern Egypt Although prison severely encroached on the freedom of the Muslim Brothers it also spurred reflection and conversations among them as well as with political prisoners of other ideological convictions most notably communists and

Zionists By emphasizing not what state repression restricted the Muslim Brothers from doing but rather what it allowed them to do Ghyyoot shows how the ideology of the Muslim Brothers was shaped not only by internal debates but also by encounters good and bad with leftist intellectuals religious clerics and intelligence officers inside Egypt's prisons Ghyyoot recounts how amidst crushing state repression the Muslim Brothers established an underground prison society that came to serve as a template for the utopia they envisioned for an Islamic Egypt Brothers Behind Bars offers a new understanding of Islamism in twentieth century Egypt Catalog of Copyright Entries, Third Series ,1976
