The Prayer of My Life:How God Changed Me in Seven Months Tony Portugal,2010-03-24 What makes this book extremely unique is that the story portion minus the editing process was actually written in less than one week The principles which are at the end of the story were written during Tonys journey in his initial seven months with God In Tonys own words he says I was not raised in church I have never known God Truthfully I have never actually known myself My familys love and their concerns for my well being had always fallen on deaf ears Simply by establishing my life around counterfeit friends it forced me to live in the darkest reality of my time What changed I went to kill a man and instead Jesus interfered It is quite unbelievable how believable God really is The Bible would become the first Book I ever read Did I understand it at first No But the Bible is not based on logical thinking but illogical people Lord I refuse to leave Your presence until You bring out of me what You promised was in me With that same perspective the Bible contains a power that enables us to go beyond ourselves Its mind blowing how within seven months God can flip your world inside out **Prayer Changed My Life** Mary D. McKenzie,2007-12-01 God is the only one who knows your destiny He is the only one who knows your purpose If you do not pray you will not get to your destiny or fulfill your purpose in life **Failure Did Me a Favor** PJ Edmund Sr.,2016-08-24 In Failure Did Me A Favor PJ Edmund critically and analytically traces and examines the turbulent life of Joseph and witnesses the steps the stages and phases of his life It underscores how life will not always present success as we view it but life itself is a gift to be used for success It also examines the unconventional and even mysterious ways that God allows dreamers to gain and grow in wisdom knowledge and understanding through both great opportunities and great disappointments What is success what does it look like when we get there Simply stated it is the lessons learned risking failure No other account brings these lessons into focus more than the life journey of the eleventh son of Jacob the dreamer Joseph
