

THE CALLING OF EMILY EVANS

When young Emily Evans went off to Bible School, she had all she could do just to keep up with her studies, let alone discover God's will for her life. That discovery seemed to be limited to those who had everything together, not for those who struggled even to make it to class on time. Then comes the chapel hour when the vast needs of the prairie settlements are presented. To her surprise, Emily feels God's call into full-time Christian service.

Emily expects that along with His calling, God will also provide her with a companion to share her life and ministry. But Emily does not feel comfortable with agreeing to marry any of the young men who present themselves. The decision is made: On her own, Emily will take on the task of opening a new church in a pioneer community.

But were those struggling years of Emily's training sufficient preparation for all the responsibilities and challenges of running a parish? Is her faith planted firmly enough to not be shaken by local doubters? It is one thing for her church to have faith enough to send her, and quite another for her faith to sustain her away from family and friends.
