A JOURNEY OF THE SPIRIT

The Camino A Journey Of The Spirit

Joe Nickell

The Camino A Journey Of The Spirit:

The Camino Shirley MacLaine, 2000-05-16 It has been nearly three decades since Shirley MacLaine commenced her brave and public commitment to chronicling her personal quest for spiritual understanding In testament to the endurance and vitality of her message each of her eight legendary bestsellers from Don't Fall Off the Mountain to My Lucky Stars continues today to attract dazzle and transform countless new readers Now Shirley is back with her most breathtakingly powerful and unique book yet This is the story of a journey It is the eagerly anticipated and altogether startling culmination of Shirley MacLaine's extraordinary and ultimately rewarding road through life The riveting odyssey began with a pair of anonymous handwritten letters imploring Shirley to make a difficult pilgrimage along the Santiago de Compostela Camino in Spain Throughout history countless illustrious pilgrims from all over Europe have taken up the trail It is an ancient and allegedly enchanted pilgrimage People from St Francis of Assisi and Charlemagne to Ferdinand and Isabella to Dante and Chaucer have taken the journey which comprises a nearly 500 mile trek across highways mountains and valleys cities and towns and fields Now it would be Shirley's turn For Shirley the Camino was both an intense spiritual and physical challenge A woman in her sixth decade completing such a grueling trip on foot in thirty days at twenty miles per day was nothing short of remarkable But even more astounding was the route she took spiritually back thousands of years through past lives to the very origin of the universe Immensely gifted with intelligence curiosity warmth and a profound openness to people and places outside her own experience Shirley MacLaine is truly an American treasure And once again she brings her inimitable qualities of mind and heart to her writing Balancing and negotiating the revelations inspired by the mysterious energy of the Camino she endured her exhausting journey to Compostela until it gradually gave way to a far more universal voyage that of the soul Through a range of astonishing and liberating visions and revelations Shirley saw into the meaning of the cosmos including the secrets of the ancient civilizations of Atlantis and Lemuria insights into human genesis the essence of gender and sexuality and the true path to higher love With rich insight humility and her trademark grace Shirley MacLaine gently leads us on a sacred adventure toward an inexpressibly transcendent climax The Camino promises readers the journey of a thousand lifetimes

The Spirit of the Appalachian Trail Susan Power Bratton, 2013-08-30 Want to know what wilderness means to people who live it for over two thousand miles Then read this extremely interesting informative intelligent and thoughtful book Roger S Gottlieb author of Engaging Voices Tales of Morality and Meaning in an Age of Global Warming There is no doubt that Bratton's book will be of value to students and scholars of leisure studies recreation and religion Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening this book provides the hard data to prove it's true David Brill author of As Far as the Eye Can See Reflections of an Appalachian Trail Hiker The Appalachian Trail covers 2 180 miles passing through fourteen states from Georgia to Maine Each year an estimated 2 3 million people visit the trail and almost two thousand attempt a thru hike

walking the entire distance of the path For many the journey transcends a mere walk in the woods and becomes a modern day pilgrimage In *The Spirit of the Appalachian Trail Community Environment and Belief* Susan Power Bratton addresses the spiritual dimensions of hiking the Appalachian Trail AT Hikers often comment on how their experience as thru hikers changes them spiritually forever but this is the first study to evaluate these religious or quasireligious claims critically Rather than ask if wilderness and outdoor recreation have benefits for the soul this volume investigates specifically how long distance walking might enhance both body and mind Most who are familiar with the AT sense intuitively that a trek along its length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style *The Spirit of the Appalachian Trail* presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of *Six Billion and More Human Population Regulation* and *Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire*

Religious Tourism and Globalization Darius Liutikas,Razaq Raj,2024-04-04 Is it possible to identify the positive and negative effects of globalization on religious tourism or to estimate the transformation of the internal and external constructs of pilgrimage by these effects In order to address these questions this book highlights the importance of the search for identity and transformative experience during religious tourism It also looks at how recently globalization has played a part in the changes of the concept of personal and social identity and the transformative experience of pilgrimage This book will be suitable for researchers and students of religious tourism pilgrimage identity tourism as well as related subjects such as sociology anthropology psychology theology history and cultural studies

Walk This Way Duncan McNamara,2023-09-07 Following an unexpected discovery during a bout of lockdown inspired spring cleaning Duncan McNamara soon to turn 30 leaves a distinctly average academic career for the Camino de Santiago an ancient and dangerous trail of 500 miles across Spain s Pyrenees Mountains He carries only a rucksack of largely useless items and while not particularly religious begins to count himself among the saints sinners and scholars who have hiked the scrubland before him His sole purpose like theirs is to reach the end and kneel before a Saint Absurd sensual and deeply poignant the world of *The Way* provides a fascinatingly personal series of incidents to match Duncan s idiosyncratic path Readers who have no idea what they re getting themselves into will find themselves cheering for this first person adventure filled with unlikely detours

The Mystery Chronicles Joe Nickell,2004-04-23 Science based explanations for unusual

happenings and documented solutions for more than three dozen mysteries Dallas Morning News Investigator Joe Nickell has spent over thirty years solving the world's most perplexing mysteries This new casebook reveals the secrets of the Winchester Mystery House the giant Nazca drawings of Peru the Shroud of Turin the Mothman enigma the Amityville Horror house the vicious goat sucking El Chupacabra and many other unexplainable phenomena Nickell has traveled far and wide to solve cases which include a weeping icon in Russia the elusive Bigfoot like yowie in Australia the reputed power of a headless saint in Spain and an alien hybrid in Germany He has gone undercover often in disguise to reveal the tricks of those who pretend to talk to the dead accompanied a Cajun guide into a Louisiana swamp in search of a fabled monster and gained an audience with a voodoo queen Superstar psychic medium John Edward pet psychic Sonya Fitzpatrick evangelist and healer Benny Hinn and many other well known figures have found themselves under Nickell's careful scrutiny The Mystery Chronicles examines more than three dozen intriguing mysteries as Nickell uses a hands on approach and the scientific method to steer between the extremes of mystery mongering and debunking With a foreword by James Randi His varied work experience as a private investigator forensic document analyst stage magician carnival pitchman and English professor gives him credibility as a hard nosed researcher and writer Booklist In straightforward understated prose Nickell describes frauds deceptions and instances of superstition among vulnerable and gullible victims some of which he exposed by covert investigations Publishers Weekly *Spiritual Growth Through Travels, Nature, And Living Life* Lance T.

Crawford,2022-07-26 A lifelong traveler riding on a train from Long Beach to New Orleans Louisiana at age one in the middle of World War II to a 520 mile pilgrimage trek on the Camino de Santiago in his mid seventies the author describes many ways he has grown internally as a result of his travels and bonding with nature A few travel highlights include a five month tour of Western Europe in the early 1970s many road trips through the United States and Mexico walking across Northern Spain on the two longest Caminos one thousand miles total and walking from Porto Portugal to Santiago de Compostela Spain In addition are two memorable group pilgrimages one in Italy and the other to the three countries of Portugal Spain and France 2 *Religion in Cathedrals* Simon Coleman,Marion Bowman,2021-12-26 This book explores cathedrals past and present as spaces for religious but also wider cultural practices Contributors from history anthropology sociology and religious studies trace major continuities and shifts in the location of cathedrals within religious civic urban and economic landscapes of pre and post Reformation Christianity While much of the focus is on England other European and global contexts are referenced as authors explore ways in which cathedrals have been and remain distinctive spaces of adjacent ritual political and social activity capable of taking on lives of their own as sites of worship pilgrimage and governance A major theme of the book is that of replication pointing to the ways in which cathedrals echo each other materially and ritually in processes of mutual borrowing and competition while a cathedral can also provide a reference point for smaller constituencies of religious practice such as a diocese or parish As this volume demonstrates the contemporary resurgence of

interest in pilgrimage the impact of Caminoisation and the re presentation of cathedrals as cultural heritage further add to the attractions popularity and complexities of cathedrals in the 21st century The chapters in this book were originally published as a special issue of the journal Religion **Gender, Nation and Religion in European Pilgrimage** Catrien Notermans, 2016-04-22 Despite the forces of secularization in Europe old pilgrimage routes are attracting huge numbers of people and given new meanings in the process In pilgrimage religious or spiritual meanings are interwoven with social cultural and politico strategic concerns This book explores three such concerns under intense debate in Europe gender and sexual emancipation trans national identities in the context of migration and European unification and religious identifications in a changing religious landscape The interdisciplinary contributions to this book explore a range of such controversies and issues including Africans renewing family ties at Lourdes Swedish women at midlife or young English men testing their strength on the Camino to Santiago de Compostela New Age pilgrims and sexuality Saints festivals in Spain and Brittany conservative Catholics challenging Europe s liberal policies on abortion Polish migrants and French Algerians reconfiguring their transnational identity by transporting their familiar Madonna to their new home new sacred spaces created such as the shrine of Our Lady of Santa Cruz traditional Christian saints such as Mary Magdalene given new meanings as new age goddess and foundation legends of shrines revived by new visionaries Pilgrimage sites function as nodes in intersecting networks of religious discourses geographical routes and political preoccupations which become stages for playing out the boundaries between home and abroad Muslims and Christians pilgrimage and tourism Europe and the world This book shows how the old routes of Europe are offering inspirational opportunities for making new journeys

Books and Travel Jennifer Laing, Warwick Frost, 2012-07-20 The books that we read whether travel focused or not may influence the way in which we understand the process or experience of travel This multidisciplinary work provides a critical analysis of the inspirational and transformational role that books play in travel imaginings Does reading a book encourage us to think of travel as exotic adventurous transformative dangerous or educative Do different genres of books influence a reader s view of travel in multifarious ways These questions are explored through a literary analysis of an eclectic selection of books spanning the period from the eighteenth century to the present day Genres covered include historical fiction children s books westerns science fiction and crime fiction **The Journey of Rainsnow** J. Rainsnow, 2002-01-30 The JOURNEY OF RAINSNOW centuries in the making yet destined for our own times is an extraordinary book at the same time personal and universal private and planetary THE JOURNEY OF RAINSNOW is the story of one man s mystical odyssey of self discovery as he leaves behind the fetters of his rational past to map out a new territory of life within his heart It is a story which moves from the hard practical streets of New York City to a New Age awakening driven by paranormal experiences powerful synchronicities and a vivid stream of past life memories which give us glimpses of times and places as diverse as ancient Egypt and Greece feudal Japan and imperial China Maya and Aztec Mexico Native North America and Nazi Germany

As the adventure unfolds so too do history's most critical lessons and the deepest mysteries of life THE JOURNEY OF RAINSNOW destined to be a New Age classic is truly a must read for anyone immersed in the search for life's meaning for anyone committed to the struggle of our world to heal and survive
