

Recipes are arranged in chapters beginning with ideas for meals that are easy to prepare and teach basic cooking skills, and progressing to more advanced preparations for those camp chefs who are looking for inspiration. Special attention is given to making the job of planning dining operations for scout troops, youth groups, and families easier. Along the way, helpful tips are suggested to make your cooking experience even better. For campers looking for remote adventures, an introduction to backpack cooking with recipes and menus is provided in the last chapter.

Now I share my kids' excitement as they create their own campfire meals. Outdoor cooking properly done is just one of the many joys experienced by those who trade a roof at home for the starry sky overhead.
