The Canal Age Charles Hadfield,1971-01-01 Canal Ports John Douglas Porteous,1977 The Canal Age Horatio Seymour,1886 *The Canal Age, By Charles Hadfield* Charles Hadfield,1969 **Railway Age** ,1934 **The Railway Age** ,1904 **The Living Age** ,1921 Britain in the Hanoverian Age, 1714-1837 Gerald Newman,Leslie Ellen Brown,1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families *The Age of Jackson* Tim McNeese,2020-07-01 Andrew Jackson was one of the most controversial presidents in American History Raised in the backwoods of Appalachia he grew up amidst the violence of the Revolutionary War and carried violence with him throughout his life Though his penchant for dueling left him with a bullet lodged in his chest Jackson s combative nature served him well in his military career He quickly rose to prominence as a celebrated Indian fighter and hero of the War of 1812 and his victories against the Spanish and the Seminole in Florida led to the further expansion of the United States As president Jackson squabbled with the South over tariffs and fought to dismantle the Second Bank of the United States But his longest lasting legacy was his policy of Indian Removal Jackson signed the Indian Removal Act of 1830 which resulted in the forcible relocation of multiple tribes to territories further west a move that would become known as the Trail of Tears In The Age of Jackson follow Andrew Jackson s progress from fighting on the frontier to governing in the White House *Dariali: The 'Caspian Gates' in the Caucasus from Antiquity to the Age of the Huns and the Middle Ages* Eberhard Sauer,2020-04-30 The Huns invading through Dariali Gorge on the modern day border between Russia and Georgia in AD 395 and 515 spread terror across the late antique world Was this the prelude to the apocalypse Prophecies foresaw a future Hunnic onslaught via the same mountain pass bringing about the end of the world Humanity s fate depended on a gated barrier deep in Europe s highest and most forbidding mountain chain Centuries before the emergence of such apocalyptic beliefs the gorge had reached world fame It was the target of a planned military expedition by the Emperor Nero Chained to the dramatic sheer cliffs framing the narrow passage the mythical fire thief Prometheus suffered severe punishment his liver devoured by an eagle It was known under multiple names most commonly the Caspian or Alan Gates Featuring in the works of literary giants no other mountain pass in the ancient and medieval world matches Dariali s fame Yet little was known about the materiality of this mythical place A team of archaeologists has now

shed much new light on the major gorge blocking fort and a barrier wall on a steep rocky ridge further north The walls still standing today were built around the time of the first major Hunnic invasion in the late fourth century when the Caucasus defenses feature increasingly prominently in negotiations between the Great Powers of Persia and Rome In its endeavor to strongly fortify the strategic mountain pass through the Central Caucasus the workforce erased most traces of earlier occupation The Persian built bastion saw heavy occupation for 600 years Its multi faith medieval garrison controlled Trans Caucasian traffic Everyday objects and human remains reveal harsh living conditions and close connections to the Muslim South as well as the steppe world of the north The Caspian Gates explains how a highly strategic rock has played a pivotal role in world history from Classical Antiquity into the twentieth century
