The Irish Republic:

The Birth of the Irish Free State, 1921-1923 Joseph Maroney Curran, 1980 The Irish Free State Irish Saorst t ireann Irish pronunciation si sta t e n 6 December 1922 29 December 1937 was the state established in 1922 as a Dominion of the British Empire under the Anglo Irish Treaty signed by British and Irish representatives exactly twelve months beforehand On the day the Irish Free State was established it comprised the entire island of Ireland but as expected Northern Ireland almost immediately exercised its right under the treaty to remove itself from the new state The Irish Free State effectively replaced both the self proclaimed Irish Republic founded 21 January 1919 and the Provisional Government of Southern Ireland W T Cosgrave the first President of the Irish Free State had led both of these governments since August 1922 The Irish Free State came to an end in 1937 when the citizens voted by referendum to replace the 1922 constitution It was succeeded by the sovereign and current state of Ireland which until 1949 was often referred to as Eire Wikipedia *The Republic* Charles Townshend, 2013-09-26 A gripping narrative of the most critical years in modern Ireland's history from Charles Townshend The protracted terrible fight for independence pitted the Irish against the British and the Irish against other Irish It was both a physical battle of shocking violence against a regime increasingly seen as alien and unacceptable and an intellectual battle for a new sort of country The damage done the betrayals and grim compromises put the new nation into a state of trauma for at least a generation but at a nearly unacceptable cost the struggle ended a new republic was born Charles Townshend's Easter 1916 opened up the astonishing events around the Rising for a new generation and in *The Republic* he deals with the same unflinchingly wish to get to the truth behind the legend with the most critical years in Ireland's history There has been a great temptation to view these years through the prisms of martyrology and good and evil The picture painted by Townshend is far more nuanced and sceptical but also never loses sight of the ordinary forms of heroism performed by Irish men and women trapped in extraordinary times Reviews Electric a magisterial and essential book Irish Times About the author Charles Townshend is the author of the highly praised *Easter 1916 The Irish Rebellion* His other books include *The British Campaigns in Ireland 1919-21* and *When God Made Hell The British Invasion of Mesopotamia and the Making of Iraq 1914-21* *Lettre De M. le C. de **, membre de l'Etat Noble du Hainaut, à M. le C. de *, membre de l'Etat Noble du Brabant ; en date du 1 Avril 1789*, 1789 *Six days of the Irish Republic* L. G. Redmond-Howard, 2022-08-01 DigiCat Publishing presents to you this special edition of *Six days of the Irish Republic A Narrative and Critical Account of the Latest Phase of Irish Politics* by L G Redmond Howard DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *The Irish Republic* Patrick Cudmore, 1871 *The Irish Republic* Francis Hackett, 1920 **Irish Republic, 1916**, 1918 **The Seven** Ruth Dudley Edwards, 2016-03-22 On Easter Sunday 23 April 1916 the seven members of the

Irish Republican Brotherhood's military council met to proclaim an Irish Republic with themselves as the provisional government. After a week of fighting with the British army on the streets of Dublin, the Seven were arrested, court-martialed, and executed. Cutting through the layers of veneration that have seen them regarded unquestioningly as heroes and martyrs by many, Ruth Dudley Edwards provides shrewd yet sensitive portraits of Ireland's founding fathers. She explores how an incongruous group which included a communist, visionary Catholic poets and a tobaccoist joined together to initiate an armed rebellion that changed the course of Irish history. Brilliant thought provoking and captivatingly told, *The Seven* challenges us to see past the myths and consider the true character and legacy of the Easter Rising. *Irish Statesman and Rebel* Bill Severn, 1971. A biography of the revolutionary who became President of the Irish Republic he helped establish.

The Case for Upholding the Irish Republic ... J. J. O'Kelly, 1900 *President De Valera's Speech at Wolfe Tone's Grave, June 21, 1925, Bodenstown* Éamon De Valera, 1925* *De Valera in America* Dave Hannigan, 2010-01-05

Eamon de Valera is one of the most famous characters in Irish political history He co authored the present day Irish constitution and in 1926 he founded Fianna Fáil which continues to be the largest political party in Ireland today In 1919 he arrived at the Waldorf Astoria Hotel announcing himself the President of Ireland He was on a mission to convince the United States to not only recognize Ireland as an independent nation but to fund the independence movement which would be a clear affront to Britain De Valera went on to give speeches in some of America's largest venues including Madison Square Garden and Fenway Park where he drew crowds of 60 000 people Over the course of that year he accumulated fame and scandal but more importantly he gained essential financial support for the fledgling Irish Republic Here award winning journalist Dave Hannigan reveals the true story of de Valera's under reported trip to America exploring his questionable personal and political relationships and the costs and benefits of his perilous crusade [Liam Mellows](#)

Conor McNamara, 2019-08-16 This landmark new study of the life of Republican leader Liam Mellows gathers letters speeches articles and IRA documents from archives in Ireland the UK and the United States together for the first time to form an insightful analysis of Mellows short but dramatic life It examines his beliefs fraught personal relationships political betrayals and intrigue and his struggle in the face of seemingly overwhelming odds Mellows was at the forefront of the Republican movement from its inception After the Easter Rebellion he spent four years as the representative of the IRA in the United States but his time there was deeply unhappy jailed in the infamous Brixton Prison while his comrades dithered over his bail he was also branded an informer by the Mayor of New York Back in Ireland in 1920 Mellows was responsible for buying and distributing arms during the War of Independence Bitterly opposed to the Anglo Irish Treaty he was a key opponent of Michael Collins and his role in occupying the Four Courts in June 1922 was central to the outbreak of the Civil War His execution by the Free State in December 1922 was one of the most divisive moments in the foundation of the state and he remains an enigmatic icon for Irish republicans to this day
