The Boy You Have Always Loved:

The Passage from Boyhood to Manhood David R. Grimm, 2010-03 At about the same time in my life that I became a father I learned the principle that masculinity bestows masculinity However since I did not learn this principle until I was almost 40 years old I grew up struggling mightily in my own masculine identity and maturity So I also knew from experience how critically important it was for me to fulfill my responsibility in passing along this principle to my two sons Jonah and Jacob Therefore I created a list of seven statements of truth that encompassed what I wanted to teach my sons about becoming and living as a man an authentic man the kind of godly man that is described in the Bible I began telling my sons these truths every night at an early age so they would become engrained in them as part of their very essence and my boys would never doubt them I also spent years preparing for the time when I would elaborate on the full meaning of each truth with my sons as part of a day of celebration of their entry into manhood Those years of preparation became this book which I published to help other fathers or father figures mentors train their sons or any boy how to become a real man My hope is that this book will be a blessing and an encouragement to every boy who receives it as he enters into and lives out authentic manhood
