

A scenic landscape featuring a calm lake in the foreground, reflecting the surrounding environment. The middle ground is filled with dense evergreen forests covering rolling hills. In the background, more forested mountains are visible under a bright blue sky with scattered white clouds. A person wearing a backpack and red pants stands on the grassy shore in the lower right corner, looking out at the lake. Overlaid on the center of the image is large, bold, yellow text with a black outline.

The Breath Of God

Nancy Roth

The Breath Of God:

The Breath of God Etienne Veto, 2019-11-27 The Holy Spirit is in a way the most mysterious of the three names of God For many it is the unknown God Acts 17 23 How can a Spirit be love How can it be a person What role can a Spirit have in the trinitarian relations In *The Breath of God* Veto argues that a more exact comprehension of the third divine person can be reached by considering the way it acts in the economy of salvation and how it reveals itself in its scriptural names Ruah and Pneuma breath or wind Just as in the eternal life of God the Father and the Son are precisely what their names designate likewise the Holy Spirit is the Breath of God The procession of the Spirit is the breathing out of the Father into the Son the communication of one intimacy into another and the breathing back of the Son into the Father This leads to reshaping many aspects of trinitarian theology in particular divine personhood It is also fruitful for the believer's life of prayer because it offers a better understanding of the distinct relationship one can have to Father Son and Spirit *The Breath of God* John Miller, Melissa Miller, 2020-11-19 Is it possible to live so close to God in daily fellowship that you metaphorically feel His breath refreshing your life Are you ready to launch out into the deep with God Raise your sails and prepare to have them filled with the breath wind of God's empowering Spirit Drawing from Biblical insights and personal testimonies after 30 years in ministry John and Melissa Miller invite you to accompany them on this adventure of learning to walk in the spirit A powerful resource for your personal life or small group studies *When God Breathes* Wayne Kniffen, 2024-04-01 When God Breathes may sound like there may be times when God does not breathe On the contrary God is breath Without the breath of God there would be no life and if God stopped breathing out we would stop breathing in Not only does the breath of God impart life but His breath is also the only thing that can sustain life When God formed the physical body from the dust of the ground for humanity to live in it was lifeless And the Lord God formed man from the dust of the ground Genesis 2 7 NKJV The physical body was created vacant It was only a suit for the spirit and soul to live in The body in and of itself cannot know God love God or serve God It was formed with no life residing within But when God breathes things come alive Now humanity has the ability to know God love God and to serve God What made this possible Join the author as he explores how God imparted His divine nature into Adam and how the breath of God keeps us from coming apart **The Breath of God** Nancy Roth, 1990-01-01 Roth focuses on the image of breath as the Spirit of God that is the source of our life She draws on the resources of Christian body prayer to teach contemplative reflective and verbal prayer and prayer through action and life *Breath of God* Eddie Lawrence, 2006-05-30 Just as we desire a close relationship with God our Father so does He long to draw us to His side In this in depth biblical study Dr Eddie Lawrence looks closely at our natural longing for God and he shows us how our pursuit of true intimacy with the Lord can help determine our destiny Let Dr Lawrence demonstrate for you how to find your true purpose for this life by receiving your Breath of God through the Holy Spirit *Breath of God* Nancy Roth, 1990 **The Breath of God** Irma Elizabeth Diaz, 2000 Rev Irma Diaz has skillfully drawn a treasure map for

God's people who are hungry and willing to dig for the treasure God has already deposited within them. The Breath of God is a must read for any serious Christian who longs for the heavenly consummation of the greatest union of all time.

The Breath of God Robert Laynton, 2019-04-15. Does our essential human nature consist of an incorporeal soul, a kind of ghostly true self that survives our physical death? Is this soul the quality that distinguishes us from the animal kingdom? If being born again by the Holy Spirit is essential if we are to see let alone enter the Kingdom of God, then how were people saved in the Old Testament period before the Holy Spirit was given? These questions serve as a springboard for this Scriptural inquiry into the themes of the Holy Spirit and the human soul and will be of interest to any Christian who finds themselves asking these kinds of questions or struggling with these themes. With extensive quotes from Scripture coupled with a return to the meaning of the original texts, this study offers a Biblical evaluation of centuries of orthodox thinking concerning these themes, taking us through the Scripture narrative from before the creation of the earth through to the life and times of Jesus and on through the present gospel age and beyond.

The Breath of God Nathan Clay Brummel, 2016-10-26. Jesus once breathed on His disciples and said, "Receive the Holy Spirit." He taught His disciples that the Holy Spirit is the Breath of God. In this book, the author explains the breadth of the work of the Spirit of Jesus Christ. He takes issue with the errors in the Pentecostal movement. He explores profound themes like the possibility of the Holy Spirit being grieved by your sins. The person and Deity of the Holy Spirit are explained for the Holy Spirit is God of God and also a He, not an It. Learn how an awareness of the person and work of the Holy Spirit is vital for Christian piety.

The Breath of Life Ron DelBene, 2005-12-01. In this book, Ron DelBene introduces a concept of prayer that will help persons new to prayer as well as veterans of the life of prayer. The Breath Prayer is a short prayer of praise and petition that is meant to help us become aware of the presence of God. It is a way to have on our lips what is always in our heart. DelBene explains. The author leads the reader to discover his or her own personal and individualized breath prayer, a prayer that may be prayed at any time of the day or night. He gives historical examples of the breath prayer used in ancient writings as well as modern day examples of how persons have utilized and been helped by this way of praying. Other titles in the The Breath of Life Series are *The Hunger of the Heart*, *A Call to Spiritual Growth*, and *Alone with God: A Guide for Personal Retreats*, both written by Ron DelBene with Mary and Herb Montgomery.
