The Caged Panther Ezra Pound At St Elizabeths:

The Caged Panther Harry Monroe Meacham, 1967

Ezra Pound's Fascist Propaganda, 1935-45 M.

Feldman, 2013-09-04 Ezra Pound was an influential propagandist for British Italian and ultimately German fascist movements Using long neglected manuscripts and cutting edge approaches to fascism as a political religion Feldman argues that Pound's case offers a revealing case study of a modernist author turned propagator of the fascist faith **Ezra Pound: Poet A.**

David Moody, 2015-09-24 This third and final volume of A David Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time In this volume we experience the 1939-1945 World War and Pound's hubristic involvement in Fascist Italy's part in it we encounter the grave moral and intellectual error of Pound holding the Jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime's effort to promote in and through his Cantos and his translations a consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension *The Life of Ezra Pound* Noel Stock, 2013-05-13 First published in 1970 this is a detailed and balanced biography of one of the most controversial literary figures of the twentieth century Ezra Pound an American who left home for Venice and London at the age of twenty three was a leading member of the modern movement a friend and helper of Joyce Eliot Yeats Hemingway an early supporter of Lawrence and Frost As a critic of modern society his far reaching and controversial theories on politics economics and religion led him to broadcast over Rome Radio during the Second World War after which he was indicted for treason but declared insane by an American court He then spent more than twelve years in St Elizabeth's Hospital for the Criminally Insane in Washington D C In 1958 the charges against him were dropped and he returned to Italy where he had lived between 1924 and 1945 *Ezra Pound and the Career of Modern Criticism* Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional

responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society John Kasper and Ezra Pound Alec Marsh, 2015-05-21 John Kasper was a militant far right activist who first came to prominence with his violent campaigns against desegregation in the Civil Rights era Ezra Pound was the seminal figure in Anglo American modernist literature and one of the most important poets of the 20th century This is the first book to comprehensively explore the extensive correspondence lasting over a decade and numbering hundreds of letters between the two men John Kasper and Ezra Pound examines the mutual influence the two men exerted on each other in Pound's later life how John Kasper developed from a devotee of Pound's poetry to an active right wing agitator how Pound's own ideas about race and American politics developed in his discussions with Kasper and how this informed his later poetry Shedding a disturbing new light on Ezra Pound's committed engagement with extreme right wing politics in Civil Rights era America this is an essential read for students of 20th century literature *Ezra Pound's Washington Cantos and the Struggle for Light* Alec Marsh, 2021-05-06 The instalments of Ezra Pound's life project The Cantos composed during his incarceration in Washington after the Second World War were to have served as a Paradiso for his epic Beautiful and tormented enigmatic and irascible by turns they express the poet's struggle to reconcile his striving for justice with his extreme Right politics In heavily coded language Pound was writing activist political poetry Through an in depth reading of the Washington Cantos this book reveals the ways in which Pound integrated into his verse themes and ideas that remain central to American far right ideology to this day States Rights White supremacy and racial segregation the usurpation of the Constitution by the Supreme Court and history as racial struggle Pound's struggle was also personal These poems also celebrate his passion for his muse and lover Sheri Martinelli as he tries to teach her his politics and in the final poems mount his legal defence against the unresolved treason charges hanging over his head Reading the poetry alongside correspondence and unpublished archival writings Ezra Pound's Washington Cantos and the Struggle for Light is an important new work on a poet who stands at the heart of 20th century Modernism Building on his previous book John Kasper and Ezra Pound Saving the Republic Bloomsbury 2015 Alec Marsh explores the way the political ideas revealed in Pound's correspondence manifested themselves in his later poetry **Olga Rudge & Ezra Pound** Anne Conover, 2008-10-01 divA loving and admiring companion for half a century to literary titan Ezra Pound concert violinist Olga Rudge was the muse who inspired the poet to complete his epic poem The Cantos and the mother of his only daughter Mary Strong minded and defiant of conventions Rudge knew the best and worst of times with Pound With him she coped with the wrenching dislocations brought about by two catastrophic world wars and experienced

modernism's radical transformation of the arts In this enlightening biography Anne Conover offers a full portrait of Olga Rudge 1895-1996 drawing for the first time on Rudge's extensive unpublished personal notebooks and correspondence Conover explores Rudge's relationship with Pound her influence on his life and career and her perspective on many details of his controversial life as well as her own musical career as a violinist and musicologist and a key figure in the revival of Vivaldi's music in the 1930s In addition to mining documentary sources the author interviewed Rudge and family members and friends The result is a vivid account of a highly intelligent and talented woman and the controversial poet whose flame she tended to the end of her long life The book quotes extensively from the Rudge-Pound letters an almost daily correspondence that began in the 1920s and continued until Pound's death in 1972 These letters shed light on many aspects of Pound's disturbing personality the complicated and delicate balance he maintained between the two most significant women in his life Olga and his wife Dorothy for fifty years the birth of Olga and Ezra's daughter Mary de Rachewiltz Pound's alleged anti-Semitism and Fascist sympathies his wartime broadcasts over Rome radio and indictment for treason and his twelve year incarceration in St Elizabeth's Hospital for the mentally ill DIV Ezra Pound John Tytell, 2013-02-06 Unlike other biographical portraits of Ezra Pound John Tytell's brilliant and ambitious work offers an interpretive study that boldly confronts the emotional truths and psychological drama that formed this complex and controversial American poet Neither an apology nor a condemnation it presents instead a meticulous exploration into the mind and vision of a man who galvanized a generation and challenged an entire literary and world establishment Although he enjoyed little fame in his lifetime Pound's notoriety and influence were enormous as he arrogantly slashed away at convention and almost single handedly brought about the twentieth century revolution in poetry known as modernism Ultimately outrage and scandal turned his art to madness and Pound's last years saw him fall tragically silent Ezra Pound J. J. Wilhelm, 2010-11-01 This third and final volume of Wilhelm's life of Ezra Pound commences with Pound's departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972 It tells how he settled in Rapallo and soon found Mussolini's fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeth's Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including *The Pisan Cantos* and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he

eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms
