The Call Of Duty:

The Call of Duty Michael A. Diaz,2000-09-12 This is an action adventure thriller dealing with the lives and times of Andrew Beck a hero and winner of the highest awards offered by a grateful nation the Medal of Honor It s also the story of Craig Barlow the son he never knew and the quest of the son to follow the call of duty From the frozen battlegrounds of Korea to the steaming jungles of Vietnam Andrew Beck follows a path that would take him above and beyond the call of duty paying the ultimate price Beyond the Call of Duty Gregory Mellema,1991-09-27 A surprisingly large number of people have denied that it is possible for human moral agents to act in such a way as to go beyond or transcend what moral duty or obligation requires of them Some of this opposition to the possibility of supererogation as it is called has been motivated by theological concerns This book surveys the concerns of Luther Calvin and Melanchthon as they react to certain teachings of the Roman Catholic Church as well as the concerns of several contemporary theologians It also examines some contemporary philosophers whose concerns have grown out of a commitment to a Kantian utilitarian or prescriptive type of ethics and urges that there are valuable lessons to be learned from these theologians and philosophers At the same time it is argued that some of their concerns are the result of a mistaken idea of what it means to perform an act of supererogation In addition it is argued that some of their concerns can be addressed in ways that do not require a denial of the possibility of going beyond the call of duty in human life This stage of the argument involves a discussion of virtue ethics and an examination of the concept of vocation particularly as it has developed in Protestant thought and illustrates the relevance of virtue and vocation to the problem of supererogation *Beyond The Call of Duty* Franklin M. Reck,2023-01-27 THE Medal of Honor is the highest decoration for bravery in battle awarded by the United States It is frequently called the Congressional Medal of Honor though the word Congressional doesn t properly belong in the title All citations for the Medal of Honor contain some variant of the following words For conspicuous gallantry and intrepidity involving risk of life above and beyond the call of duty in action with the enemy This book tells the stories of those first sixteen plus two Army Air Force officers who won their decorations in a ground action during an infantry attack Two of the winners in this book are Cavalry jeep mounted cavalry operating with the infantry during the Sicilian campaign These men received the Medal of Honor first of all because their most intimate comrades thought they deserved it A recommendation for a Medal of Honor begins on the field of action with fellow soldiers who saw or shared in the exploit **Answer the Call of Duty: The Complete History of the Gaming Franchise** Daniel D.
