The Call Of Silence Discovering Christian Meditation:

The Call of Silence Bradley Hanson, 1980-01-01 *Open Your Eyes Toward Living More Deeply in the Present* Gail J. Stearns, 2010-10-01 In order to discover inner peace and peace in our world we will need to let go of traditional understandings of pain and suffering as God's will. We will need to stop claiming that Christianity contains elite exclusive truths. We learn here from the Jesus of the Gospel of Mark how to open our eyes and awaken to the Presence of God here and now. Gail Stearns brings insight from biblical scholars, spiritual leaders, and her own experience as a pastor and university teacher to move us to a place where we can dwell more deeply in the present and live in a more compassionate world.

Liberating Mindfulness Stearns, Gail J., 2022-05-18 Attempts to reclaim mindfulness from the commercial and corporate juggernaut it has become and to demonstrate its usefulness in spiritual including Christian life **Thirsty for God** Bradley P. Holt, 2017-08-15 A landmark text on the history of Christian spirituality embarks on the journey afresh. This accessible and engaging history provides an excellent primer on the two millennium quest for union with God, a thirst at the center of Christian life and practice. Holt traces the practice of Christian devotion, prayer, and contemplation from the biblical and influential early periods through the diverse insights of the Reformation and modern eras. Globally framed, the book highlights the local contributions of people from a wide array of traditions and perspectives as unified yet diverse voices giving witness to the thirst for the experience of the divine that is at the heart of the Christian pilgrimage. This new edition not only updates all the chapters and features but also adds more material on the spirituality of Jesus, medieval women mystics, contemporary spirituality, spiritual faith and practice in the digital age, and spirituality in a globalized world. Excerpts and illustrations from primary sources, a glossary, a timeline, new bibliographies, sets of spiritual exercises, and discussion questions, and an online resource guide heighten the book's usefulness for students and lay persons alike **The Lutheran Standard**, 1981
