The Cannibals:

The Cannibals Iain Lawrence, 2009-03-25 As Tom Tin nears Australia where he s to serve a lengthy sentence for a murder he didn t commit he and his fellow convict Midgely plot their escape No matter that the ship carrying them and the other juvenile criminals is captained by Tom s father Tom knows his father can t help him clear his name and regain his freedom not as long as Mr Goodfellow a man who wants the ruin of the Tin family wields power back in London So Tom and Midgely decide to go overboard So do other boys who seize their chance at liberty boys who aren t so innocent and who have it in for Tom To make things worse the islands in the Pacific look inviting but Tom remembers his father s warnings headhunters and cannibals lurk there The boys go anyway And as conflict among them mounts as they encounter the very dangers Captain Tin spoke of Tom must fight to keep himself and Midgely alive *New York Magazine* ,1968-09-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Harper's Magazine** ,1893 Important American periodical dating back to 1850 Harper's New Monthly Magazine Henry Mills Alden,1893 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs *Harper's New Monthly Magazine* ,1893 Sources for World in the Making: Since 1300 Bonnie G. Smith,Marc Van de Mieroop,Richard Von Glahn,Kris E. Lane,2018-08-07 Designed to complement World in the Making A Global History this two volume sourcebook gathers together the voices of both notable figures and everyday individuals Compiled by the Bonnie Smith Marc Van Der Mieroop Richard von Glahn and Kris Lane Sources for World in the Making reflects the geographic breadth and key social cultural and political developments covered in each chapter of the parent text Every chapter includes an introduction and approximately six sources representing both major works and fresh perspectives A Contrasting Views feature presents sources with divergent perspectives to foster comparative analysis *Cannibalism in Literature and Film* J. Brown,2012-11-14 A comprehensive study of cannibalism in literature and film spanning colonial fiction Gothic texts and contemporary American horror Amidst the sharp teeth and horrific appetite of the cannibal this book examines real fears of over consumerism and consumption that trouble an ever growing modern world *The Life of the Mind in Old English Poetry* Antonina Harbus,2002 Ideas about the human mind are culturally specific and over time vary in form and prominence The Life of the Mind in Old English Poetry presents the first extensive exploration of Anglo Saxon beliefs about the mind and how these views informed Old English poetry It identifies in this poetry a particular cultural focus on the mental world and formulates a multivalent model of the mind behind it as the seat of emotions the site of temptation the container of knowledge and a heroic weapon The Life of the Mind in Old English Poetry treats a wide range of Old English literary genres in the context of their Latin sources and

analogues where applicable in order to discover how ideas about the mind shape the narrative didactic and linguistic design of poetic discourse Particular attention is paid to the rich and slippery vernacular vocabulary for the mind which suggests a special interest in the subject in Old English poetry The book argues that Anglo Saxon poets were acutely conscious of mental functions and perceived the psychological basis not only of the cognitive world but also of the emotions and of the spiritual life

Folktales and Other Stories from the Edge of the Great Thirst Bhekumuzi Wuyane, 2015-10-06 As Bhekumuzi Wuyane perches himself on the great local dome of Dombodema he is approached by an elderly African storyteller who begins telling him about life in a harsh environment at the edge of the Kalahari Desert Amid a backdrop filled with cunning animals strong women feared and adored leaders and lovers and sworn enemies the man relays tales of the three great kingdoms that will eventually transform Wuyane and teach him valuable life lessons In his collection of twenty folk tales derived from that experience Wuyane weaves the African mans stories with others both old and new to emphasize the rapidly fading art of passing down messages through folklore As animals and people struggle both together and separately to overcome their challenges and survive in the desert leadership styles a variety of emotions and good and evil intentions are revealed illustrating the deeper meaning in every story told within the African culture When the tales conclude Wuyane meets with the older man once again relating the treasured messages he has learned *Folktales and Other Stories from the Edge of the Great Thirst* is a collection of stories with strong and timeless morals that will appeal to both current and future generations interested in fulfilling their visions
