The Mystical Explanation of the Canticle of Canticles Saint Francis de Sales, Aeterna Press, 2015-09-01 THERE ARE TWO sorts of unions of the soul with God in this world the first by grace which is made in Baptism or by means of Penance the second by devotion and this is made by means of spiritual exercises The one makes us innocent and the other spiritual Solomon considering himself to have given sufficient instruction on the first sort of union in his other books only teaches the second in the Canticles in which he supposes the spouse that is the devout soul to be already married to her Divine Beloved and represents their holy and chaste married loves practiced by mental prayer which is simply the consideration of God and Divine things Aeterna Press

I. The Mystical Explanation of the Canticle of Canticles Saint Francis (de Sales), Saint Jeanne-Françoise de Chantal, 1908 Sermons on the Canticle of Canticles: Volumes 1 & 2 Saint Bernard of Clairvaux, Aeterna Press, So far as I am aware this is the first attempt on the part of a Catholic to render St Bernard's famous Discourses on the Canticle of Canticles available for English readers It is passing strange that it should be so passing strange that the most important work perhaps of him who has been called by excellence the Doctor of Love and the Prince of Mystics should be so neglected But the Sermons on the Canticle are not singular in this respect The same neglect has been extended to practically all the writings of the Melliduous Doctor with great loss to spirituality Aeterna Press
