The Sounds of Capitalism Timothy D. Taylor, 2024-05-31 From the early days of radio through the rise of television after World War II to the present music has been used more and more to sell goods and establish brand identities And since the 1920s songs originally written for commercials have become popular songs and songs written for a popular audience have become irrevocably associated with specific brands and products Today musicians move flexibly between the music and advertising worlds while the line between commercial messages and popular music has become increasingly blurred Timothy D Taylor tracks the use of music in American advertising for nearly a century from variety shows like The Clicquot Club Eskimos to the rise of the jingle the postwar upsurge in consumerism and the more complete fusion of popular music and consumption in the 1980s and after The Sounds of Capitalism is the first book to tell truly the history of music used in advertising in the United States and is an original contribution to this little studied part of our cultural history

The Care and Feeding of Indigo Children Doreen Virtue, 2001-05-29 Indigo children are bright intuitive strong willed and sometimes self destructive individuals They are often labeled and misdiagnosed as having ADD or ADHD because they won't comply with established rules and patterns and they may exhibit behavioral problems at home and at school In The Care and Feeding of Indigo Children Doreen Virtue Ph D explores the psyche of these special kids and offers alternative solutions to Ritalin based on her extensive research and interviews with child care experts teachers parents and the Indigo Children themselves Read the accounts of these remarkable children as they explain why they act out are aggressive or
