

His Journey's Just Begun

Don't think of him as gone away -
his journey's just begun,
life holds so many facets -
this earth is only one. . .

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.
Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched. . .
for nothing loved is ever lost -
and he was loved so much.

In Loving Memory of Joseph L. Smith

A Field Guide to the Poetry of Theodore Roethke William Barillas, 2020-12-29

A constellation of essays that reanimates the work of this pivotal twentieth-century American poet for a new century. This volume is the first to reconsider Roethke's work in terms of the expanded critical approaches to literature that have emerged since his death in 1963. Editor William Barillas and over forty contributors, including highly respected literary scholars, critics and writers such as Peter Balakian, Camille Paglia, Jay Parini and David Wojahn, collectively make a case for Roethke's poetry as a complete, unified and evolving body of work. The accessible essays employ a number of approaches, including formalism, ecocriticism, reader response and feminist critique, to explicate the poetics, themes and the biographical, historical, cultural and literary contexts of Roethke's work.
