Left on St. Truth-be-Well Amy Lane,2013-07-24 Carson O Shaughnessy has one task track down

his boss's flighty nephew Stassy and return the kid to Chicago. Then Carson can go back to waiting tables and being productively bitter about his life. He didn't count on finding a dead body in Stassy's bed and he certainly didn't count on the guy in the flip-flops and cutoffs at the local caf helping him get to the bottom of the crime. But Dale Arden is no ordinary surfing burnout; he's actually a pretty sharp guy with a seductive voice and a bossy streak wider than the Florida panhandle. When he decides to boss Carson right into his bed, Carson realizes Stassy's not the only one who's been lost. Carson likes to think he's got his life all figured out: that sex with guys is your basic broom closet transaction; he may just have to revise his priorities because nobody plans on taking a left at St. Truth be Well and finding love at the Bates Parrot Hotel. **Alice in**

Wonderland Mrs. Burton Harrison, 1898 **The Billionaire Prince's Fake Girlfriend** Leslie North, A royal scandal leads to an attraction they can't deny. Reeling from the discovery that his father hid an older sibling from him, billionaire prince Benoit Georges Moreau goes undercover at a British newspaper to track his half sister down. Unfortunately, the fiery reporter he's assigned to work with recognizes him instantly. The jig is up, or is it? Jane has built her whole life on seeking out the truth. After living in the shadow of her father's lies for years, she leaps at the chance to uncover a royal exclusive. If she can help this handsome prince solve a decades-old mystery, he'll let her break the story about this shocking royal secret. For Jane, it's a once-in-a-lifetime opportunity to advance her career as an investigative journalist. But as they spend more time together, the fake relationship they craft to conceal Ben's royal identity starts to feel all too real. And it quickly becomes impossible to deny the chemistry between them. When the truth leads to betrayal, will their undeniable attraction be enough for them to take a leap of faith? **Love Holds The Cards** Barbara Cartland, 2018-03-07 **Peace Within** Heather Helene, 2024-07-08

Peace Within A Journey through Chronic Illness and Finding Peace within the Pain is a riveting story based on the author's personal experience with slowly having her life turned upside down by an onslaught of debilitating symptoms that started in 2010, which she was later to be diagnosed with having dysautonomia, postural orthostatic tachycardia syndrome, fibromyalgia, generalized hypermobility disorder, chronic back and hip pain, and migraines on a daily basis. As the months went by, Heather would go from feeling like a normal and healthy thirty-four-year-old woman to having to call out from work for being sick with her symptoms or going to doctor's appointments. She started feeling hopeless when doctor after doctor could not find the cause of all these symptoms. She was told this was only anxiety and depression. Throughout this battle, she was a full-time employee in the medical field, a mother to two young children, and a wife in a failing marriage. She tells her story of losing her job and finances, credit, and her health, felt like it was slipping away. Her emotional, physical, and spiritual pain was put to the ultimate test. She is jolted back to the foundation of her strength, her healing, and peace within through her Lord and Savior, Jesus Christ, before it was too late, but right on time. Heather remembers that with God, all things are possible. Her healing and her peace within were already there; all she had to do was ask for them and receive them. 2 **For the Love of Pup: Four**
