Sniffing Out The Spy Rimmy London,2022-06-15 If Santiago is NOT the spy then why is he headed to jail Can Megan find out the truth before it s too late Summer is coming to an end at the picturesque seaside town of Seacrest and with it comes a food truck festival like they ve never seen before Even Margaret gets in on the fad setting up her own tea truck But business is hardly booming and it s left her in poor spirits But for the moment Megan has bigger problems Santiago calls from jail requesting that she come visit However when she does their conversation makes no sense at all Why would he use up their precious few minutes speaking gibberish As Megan begins piecing it all together she realizes he s just given her a BIG clue With a clue comes a case and with a case comes a plan and a disguise and a chase But if Megan thought their villain had small town intentions she s in big time trouble In way over her head she never imagined what lengths a well trained criminal would go to Before she realizes it Fred is the target And now all bets are off because Megan would do anything to get him back Join Megan Henny and Fred as Megan inevitably gets them into trouble and Fred stumbles over the solution One fun thrilling chilling read with the salty wind in your face and a dark forest as your backdrop Snuggle up if you dare **Sniffing the Cork** Judy Beardsall,2010-05-11 From the warm and funny perspective of nationally known wine expert Judy Beardsall Sniffing the Cork And Other Wine Myths Demystified shares tips that will help you cut through the snobbish opinions of clerks and waiters to find wine you truly enjoy for all occasions After twenty years in the wine business trailblazer Judy Beardsall shares her passion with the world through this entertaining guide to all things wine and why it should be savored not sipped Perfect for those intimidated by wine and connoisseurs alike Beardsall takes readers on a tour of the wine world offering guidance that will help anyone understand what to look for what to spend and how to communicate when purchasing wine Readers will as find answers to the myths surrounding the wine world such as why you should not sniff the cork as well as the secrets to understanding winespeak the nutritional and therapeutic benefits of wine the keys to properly serving storing and collecting wine and multiple suggestions of affordable wines perfect for both connoisseurs and those daunted by wine shops and wine lists Glue Sniffing & out of Body Experiences William T Stead,2019-08-31 I have written a story about glue sniffing and out of body experiences that occurred during the early seventies Back then I was a teenager who had a difficult upbringing with many factors causing a chaotic life Through all of this I learned the potentials of a stimulant combined with mind control It was my first use of any kind of drug and unintentionally it took me on a journey of discovery There are two main abilities one has to overcome in order to experience OBEs The first is telepathic speech construction and application The ability to communicate is immensely important and allows you to utilise the learning process The second is manipulation of the visual environment When this has been achieved I attained a separation of the soul from the body to a state I call the third level In this plane I had a guide called Gong he is of alien origin and my mentor My time in the third phase lasted around one year in which I experienced technologies far in advance of mankind To summarise part of the

outstanding events I have seen thirteen UFO s on three different occasions not on drugs witnessed scenes from my own future in detail I was permitted to see the left hand side of my soul I have been in the same room as an alien Events of this nature although exceptional are not the main point of the story I was asked to write of my experiences in the spirit plain At the time my education was close to semi literacy and through a combination of learning and patience feel it is the right time to fill an agreement
