*Snobbery with Violence* Colin Watson,1971      *Snobbery with Violence* Colin Watson,1987-01-01      **Forever England** Alison Light,2013-08-21 Most studies of the interwar years have focussed upon literary elites rendering that past and its literature in almost exclusively male terms In *Forever England* Alison Light argues that we cannot make sense of Englishness in the period or understand the changes within literary culture unless we recognise the extent to which the female population represented the nation between the wars From the traumatic aftermath of the First World War *Forever England* traces the making of a conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the period *Forever England* evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives      *Snobbery with Violence* Colin Watson,1971

**Masters of the "Humdrum" Mystery** Curtis Evans,2014-01-10 In 1972 in an attempt to elevate the stature of the crime novel influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as Humdrums condemning their focus on puzzle plots over stylish writing and explorations of character setting and theme This volume explores the works of three prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symons allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath      *Of Modern*

*Dragons; and other essays on Genre Fiction*: John Lennard,2016-10-09 A volume of essays exploring some of the best genre fiction of the last 40 years      **Ford Madox Ford and the City**,2005-01-01 The controversial British writer Ford Madox

Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature The book series *International Ford Madox Ford Studies* has been founded to reflect the recent resurgence of interest in Ford's life and work Each volume will normally be based upon a particular theme or issue Each will relate aspects of Ford's work life and contacts to broader concerns of his time Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade's End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman However critics of Edwardian and Modernist literature have been increasingly turning to Ford's brilliant 1905 experiment in Impressionism *The Soul of London* as an

exemplary text Ford Madox Ford and the City assembles fourteen pioneering essays by new as well as established European and American scholars exploring Ford's representations of real and ideal cities across the full range of his work from his earliest verse to his post war prose and poetry of the 1920s and 1930s The volume is divided into three sections The first focuses on his changing views of London with *The Soul of London* taking pride of place The second concentrates on the other great cities Ford lived and worked in Paris and New York as well as considering the role of the virtual or fantasy city Besides reflecting new developments in research on Ford the collection represents a significant contribution to studies in Modernism literature and the city Englishness and nationality It concludes with three masterly essays by Ford himself two of them published here for the first time on cities he visited during his travels through America in the 1930s Boston Denver and Nashville

**War and Progress** Peter Dewey, 2014-09-11 This is an account of how the daily lives of ordinary peoples were changed profoundly and permanently by these three momentous decades 1914-1945 Often depicted in negative terms Peter Dewey finds a much more positive pattern in the wealth of evidence he lays before us His is a story of economic achievement and the emergence of a new sense of social community in the nation rather than a saga of disenchantment and decline

**Myth, Memory and the Middlebrow** I. Habermann, 2010-05-19 This study explores Englishness as a symbolic form from the 1920s to the 1940s Two case studies focused on J B Priestley and Daphne du Maurier explore crucial ways in which popular middlebrow authors imagine and shape the nation providing an innovative approach to literary negotiations of cultural identity

*Licence to Thrill* James Chapman, 2024-04-18 In this new edition of *Licence To Thrill* James Chapman builds upon the success of his classic work regarded as the definitive scholarly study of the history of the James Bond film series from the first picture *Dr No* 1962 to the present He considers the origins of the films in the spy thrillers of Ian Fleming and examines the production histories of the films in the contexts of the British and international film industries This edition includes a new introduction and chapters on *Quantum of Solace* 2008 *Skyfall* 2012 *Spectre* 2015 and *No Time to Die* 2021 Chapman explores how the films have changed over time in response to developments in the wider film culture and society at large He charts the ever evolving Bond formula analysing the films representations of nationhood class and gender in a constantly shifting cinematic and ideological landscape

*Selected Studies in Romantic and American Literature, History, and Culture* Charles J. Rzepka, 2016-04-01 Gathered together for the first time the essays in this volume were selected to give scholars ready access to important late twentieth and early twenty first century contributions to scholarship on the Romantic period and twentieth century literature and culture Included are Charles J Rzepka's award winning essays on Keats's Chapman's Homer sonnet and Wordsworth's Michael and his critical intervention into anachronistic new historicist readings of the circumstances surrounding the composition of *Tintern Abbey* Other Romantic period essays provide innovative interpretations of De Quincey's relation to theatre and the anti slavery movement Genre is highlighted in Rzepka's exploration of race and region in Charlie Chan while his interdisciplinary essay on *The Wizard of Oz* and the New Woman

takes the reader on a journey that encompasses the Oz of L Frank Baum and Victor Fleming as well as the professional lives of Judy Garland and Liza Minnelli Taken together the essays provide not only a career retrospective of an influential scholar and teacher but also a map of the innovations and controversies that have influenced literary studies from the early 1980s to the present As Peter Manning observes in his foreword this collection shows that even in diverse essays the force of a curious and disciplined mind makes itself felt

*Fear and Clothing* Jane Custance Baker,2023-01-26 Through analyzing dress in detective fiction *Fear and Clothing* reveals a cultural history of identity affected by the social upheaval caused by war In depth analysis of interwar publications by a comprehensive range of writers reveals readers anxieties and fears about class gender and race and how these changed over the period Although read and written by both men and women detective fiction was deemed at the time to be a masculine and high status entertainment However the literature demonstrates an admiration and acceptance of the woman s identity performed during the Great War and continuing throughout the interwar period as girl pal and female gentleman In chapters that explore age character class masculinity performative womanhood and race Jane Custance Baker exposes how dress was a status marker to both male and female readers made anxious by social change brought about by war Dress in detective fiction reveals a set of signs to be read digested and possibly employed to model the individual reader s personal dress choices *Fear and Clothing* sheds new light on dress of the period the social and cultural environment as depicted in the popular fiction genre in the early 20th century and is of interest to researchers and scholars within dress history literary and historical studies as well as anyone who enjoys the history of detective fiction

**Historia regum Britannie** ,1991 *Clues: A Journal of Detection*, Vol. 35, No. 2 (Fall 2017) Elizabeth Foxwell,2017-09-22 For over two decades *Clues* has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction *Clues* is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe

**Race and the Modernist Imagination** Urmila Seshagiri,2010 In addition to her readings of a fascinating array of works *The Picture of Dorian Gray Heart of Darkness* *Crime, Fear and the Law in True Crime Stories* Anita Biressi,2001-06-26 Why do true crime stories exert such popular fascination What do they have to say about the fear of crime in the present moment This book examines the historical origins and development of true crime and its evolution into distinctive contemporary forms Embracing a range of non fiction accounts true crime book and magazines law and order television popular journalism it traces how they harness and explore current concerns about law and order crime and punishment and personal vulnerability

*Conceiving the City* Nicholas Freeman,2007-09-20 *Conceiving the City* is an innovative study of the ways in which a generation of late Victorian novelists poets painters and theoreticians attempted to represent London in literature and art Breaking away from the language and style of Dickens and the static panorama paintings of William Powell Frith major

figures such as Henry James and J M Whistler and crucially less celebrated authors such as Arthur Machen Edwin Pugh and George Egerton bent realism into exciting new shapes In the naturalism of George Gissing and Arthur Morrison the fragmentary impressions of Ford Madox Ford and the brooding mystery of Alvin Langdon Coburn s photogravures London emerged as a focus for dynamic explicitly modern art Although many of these insights would be dismissed or at least downplayed by subsequent generations the ideas evolved during the period from 1870 to 1914 anticipate not only the work of high modernists such as Eliot and Woolf but also that of later urban theorists such as Foucault and de Certeau and the novels and travelogues of contemporary London writers Peter Ackroyd and Iain Sinclair Nicholas Freeman recovers a sense of late Victorian London as a subject for dynamic theoretical and aesthetic experiments and shows in stimulating analyses of Conan Doyle H G Wells Arthur Symons and others how much of our understanding of urban space we owe to eminent and not so eminent Victorian figures Written in a clear and accessible style the book restores a much needed historical perspective to our engagement with the metropolis

**Detective Fiction** Charles J. Rzepka, 2005-09-30 Detective Fiction is a clear and compelling look at some of the best known yet least understood characters and texts of the modern day Undergraduate students of Detective and Crime Fiction and of genre fiction in general will find this book essential reading

**Saints and Avengers** James Chapman, 2002-04-26 Eccentric ironic and fantastic series like The Avengers and Danger Man with their professional secret agents or The Saint and The Persuaders featuring flamboyant crime fighters still inspire mainstream and cult followings Saints and Avengers explores and celebrates this television genre for the first time Saints and Avengers uses case studies to look for example at the adventure series representations of national identity and the world of the sixties and seventies Chapman also proves his central thesis that this particular type of thriller was a historically and culturally defined generic type with enduring appeal as the current vogue for remaking them as big budget films attests

**The Murder Game: Play, Puzzles and The Golden Age** John Curran, 2025-09-11 From The Murder of Roger Ackroyd to Magpie Murders and related diversions including cryptic crosswords and Cain s Jawbone The Murder Game examines the games authors played with their readers and the importance of puzzles in Golden Age whodunits
