So You Think You're Fat:

So You're Fat, Now What? Salvatore Joseph Tirrito, 2009 It's not all about what you eat or when you eat it. It's not about the right combination of foods. With straightforward honesty, cardiologist Sal Tirrito lays out the facts about why you're fat and how to drop those pounds permanently. If you're ready to stop making excuses and accept the laws of weight loss, you're ready to change your body permanently. It starts and ends with this law: don't eat more calories than you burn off. Sounds simple, and it is, but for millions of Americans, it's not easy. Dr. Tirrito offers facts, examples, stories, and data to help you make positive changes to your lifestyle. By following the simple steps outlined in this book, you can change your behavior and find the thinner, healthier person who has been hiding inside you all these years. About the Author: Dr. Tirrito directs weight management and athletic performance clinics in Southern Arizona. He is an authority on exercise physiology and sports nutrition and a frequent contributor to *Triathlete* magazine. In addition to running his clinic, Dr. Tirrito practices cardiology in Tucson, Arizona, where he specializes in primary and secondary prevention of heart disease, advanced cardiovascular imaging, and vascular medicine. Dr. Tirrito is an Ironman competitor who enjoys running, cycling, and other sports.

Fat Church Anastasia Kidd, 2023-04-15 Whether your body is small or large, aged or young, disabled or abled, toned or soft, lithe or stiff, or somewhere in between, anti-fatness affects us all because it is intended to. *Fat Church* critiques anti-fat prejudice and the Church's historic participation in it, calling for a fatphobic reckoning for the sake of God's gospel of freedom. Pastor and theological educator Anastasia Kidd reviews the history of diet culture, fat studies, beauty body policing, and the white supremacist machinations underpinning them in order to work for a society rooted in body liberation for all. *Fat Church* offers a disruption to social habits of shame and remembers the theology of abundance that calls us all beloved by God.
