break of a lifetime And now the only thing separating them from their dreams is a thousand miles of pavement Money is tight though A hundred gigs a year and they rarely broke even Between the cost of food gas and everything else it takes to keep a band running they made a habit of living in the red The only way they would ever get to New York would be to pack up their aging Chevy Astro and book a tour that could lead them to the promised land All it took was six dots on a map A handful of concerts to carry them to their destination It was more than enough to keep them flush if everything went according to plan but things never do when you re on the road And as they work their way up the coast it all goes to hell They soldier through tough circumstances at first making the best of it for as long as they can But when the van gets ransacked midway through the trip they re forced to make a choice crawl home empty handed or charge onward at all costs Out of cash and desperate to make it they set themselves on a collision course to New York It s a decision that forces each band member to consider just how badly he wants that record deal and what he s willing to do to get it Laws are broken Friendships are tested And so much violent momentum is built up that nothing and no one can stand in their way Not even each other Kenya National Assembly Official Record (Hansard) ,2001-10-11 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya
