So Far So Good A Memoir:

So Far, So Good Burgess Meredith, 1994 A deliciously entertaining storyteller Burgess Meredith takes us inside his glittering world to Tallulah Bankhead's salacious midnight parties in her Gotham Hotel suite she played hostess in the nude to the behind the set antics with former wife Paulette Goddard together they misplaced 300 000 worth of jewels to the Communist witch hunts in the 1950s he was blacklisted *So Far So Good* is filled with marvelous anecdotes and revealing reminiscences about John Huston Orson Welles Jimmy Stewart Katharine Cornell Ingrid Bergman John Steinbeck Marlene Dietrich Ian Fleming Fred Astaire Charles Chaplin Aldous Huxley Alexander Calder Kurt Weill Ginger Rogers Jean Renoir Lauren Bacall Artie Shaw David Selznick Joe Schenk Charles Laughton Franchot Tone Andy Warhol But Meredith's memoir is also a touching story of humor kindness and triumph spanning over half a century in the spotlight ***So Far, So Good*** Ralph Salisbury, 2020-04-01 Bullet shattered glass clatters onto his baby bed he wakes and cries out into darkness Does he remember this Or remember being told Regardless he feels it and will feel it again bomb bay wind buffeting his eighteen year old body a mile above an old volcano's jagged debris and yet again staring at photos of Korean orphans huddled homeless in a blizzard after a bombing in which at twenty five he'd refused an order to join It is through such prisms of the past that Ralph Salisbury's life unfolds a life that eighty years in the making is also the life of the twentieth century Winner of the River Teeth Literary Nonfiction Prize *So Far So Good* is a sometimes strange sometimes lyrical and often humorous attempt by an inveterate storyteller to recount just things as they were The survivor of a lightning strike car and plane mishaps explosions bullets a heart attack cancer and other human afflictions Salisbury wonders Why should anyone read this The book itself resoundingly answers this question not merely with its sheer eventfulness but also in the prodigious telling Salisbury takes us from abject poverty in rural Iowa during the Great Depression with a half Cherokee father and an Irish American mother through war and peace and protest to the freedom and solace of university life and it is in the end so far so good ***So Far, So Good*** Ross Fitzgerald, Antony Funnell, 2018-09-01 Professor Dr Grafton Everest's latest outrageous entertainment takes us to London and New York after a series of hilarious meanderings in the land of Oz *So Far So Good* centres on our hapless professor's obsession with food and fame his relationship with his increasingly independent wife Janet their wayward and soon to be married daughter Lee Anne and his much loved terrier Maddie This cleverly plotted satire exposes the sad state of universities and of what now passes for politics in the West Our obsession with technology our fear of outsiders and our distrust of elites also come in for a pasting Caught in a series of concentric conspiracies Grafton manages to save the day save the world and even launch Australia on the road to a republic Well known author and commentator Professor Ross Fitzgerald and Antony Funnell of ABC Radio National's Future Tense fame have produced the funniest Grafton Everest novel yet The previous Grafton adventure *Going Out Backwards* was shortlisted for the 2017 Russell Prize for Humour Writing ***Memoir*** G. Thomas Couser, 2011-12-02 Each year brings a batch of new memoirs ranging from

works by former teachers and celebrity has been to disillusioned soldiers and bestselling novelists. In addition to becoming bestsellers in their own right, memoirs have become a popular object of inquiry in the academy and a mainstay in most MFA workshops. Courses in what is now called life writing study memoir alongside personal essays, diaries, and autobiographies. *Memoir: An Introduction* proffers a succinct and comprehensive survey of the genre and its many subgenres while taking readers through the various techniques, themes, and debates that have come to characterize the ubiquitous literary form. Its fictional origins are traced to eighteenth-century British novels; its early American roots are examined in Benjamin Franklin's *Autobiography* and colonial captivity narratives, and its ethical conundrums are considered via the imbroglíos brought on by the questionable claims in Rigoberta Menchú's *I, Rigoberta* and more notoriously James Frey's *A Million Little Pieces*. Alongside these more traditional literary forms, Couser expands the discussion of memoir to include film with what he calls *documemoir*, exemplified in Nathaniel Kahn's *My Architect* and graphic narratives like Art Spiegelman's *Maus*. **So Far, So Good** Edwin

Seaver, 1986 **The Ballad of John Latouche : an American Lyricist's Life and Work** Howard Pollack, 2017 In his short life, the Virginia-born John Treville Latouche (1914-56) made a profound mark on America's musical theater as a lyricist, book writer, and librettist. His signature achievements include theatrical works with composers Earl Robinson, Vernon Duke, Duke Ellington, Jerome Moross, and Leonard Bernstein. **The Last Romantic: A life of Eric Maria Remarque** Hilton

Tims, 2013-09-19 Few books have made so great an impact, political or literary, as Erich Maria Remarque's *All Quiet on the Western Front*, the most famous of all anti-war novels. Startling in its realism, intensely moving in its humanity, banned and burned in Germany by the Nazis, it was an international publishing sensation that has never been equalled and has remained a worldwide bestseller for more than seventy years. But who was Remarque? While the title of his masterpiece has entered the language as a catchphrase, the name of the author is virtually unknown. In this first British biography, Hilton Tims peels away the veil of anonymity Remarque wove to protect his privacy to reveal a man whose life was one of the most romantic and anguished of the twentieth century. Remarque was a self-made man born into a poor family; he moulded himself into a connoisseur of art whose collection became one of the finest in Europe, and an author whose novels brought him wealth, fame, and vast readership. He was also the lover of some of the world's most desirable women. At the core of his life was a long-lasting affair with Marlene Dietrich, who helped him to flee from the Nazis as Europe went to war. *Arch of Triumph*, the bestseller he wrote while a stateless migrant in Hollywood, was inspired by the ecstasy and torment Dietrich caused him. Other lovers included Greta Garbo, Dolores del Río, Maureen O'Sullivan, the Jane of the Tarzan films, the tragic Lupe Velez, the double Oscar winner Luise Rainer, and Paulette Goddard, who became his second wife. Behind the glamour, he was a troubled man haunted by the political fallout from his famous book, an embittered exile from the Germany he loved, tortured by the infidelities of his first wife and by the fate of his favourite sister, who paid a terrible price in his name at the hands of the Nazis. In Germany, the country that reviled him for most of his life, Remarque is today acclaimed as a literary giant. The rest of

the world has forgotten him Hilton Tims has succeeded in creating a potent and fascinating reminder "A" *Western Filmmakers* Henryk Hoffmann, 2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified *Memoirs and portraits. Paul R. Sponheim, 2018-08-27 Born into a pack of religiously divided siblings with a devout mother and an agnostic father Sponheim finds the triad of faith unfaith many faiths central in telling the tall tale of God Through his half century of teaching and writing the doctrine of creation becomes decisive for Sponheim featuring a God who has a very big operation going in this world Drawing on such diverse mentors as S ren Kierkegaard Alfred North Whitehead and feminist authors he offers a deeply relational conception of the tallness the height humankind seeks In his own family he sees God s operation in such diverse worlds as music science and athletics Personally he has witnessed the saving work of the Creator in such worldly affairs as inner city social change programs a domestic abuse project and the National Alliance for the Mentally Ill Without compromising a present time ethic of risk he closes with an eschatological exploration asking What future would do if it were true And Is it true
