Ogburn,1922   **DEVELOPMENT INITIATIVES AND SOCIAL CHANGE OF SCHEDULED CASTES** Dr. Harijana Thirupalu & Dr. M Muninarayanappa,2025-03-05 INTRODUCTION This introductory chapter presents the concepts of Scheduled Castes development and Social Change The chapter also includes the statement of the problem objectives scope sampling techniques data source statistical tools used and the limitations of the study Chapter scheme of the study report is presented at the end c Social inequality exists in Indian society based on class caste and gender In India caste determines one s social status The caste system is oppressive due to discrimination exclusion exploitation and untouchability 1 1 The caste system is based on the division of people into social groups or castes in which the civil cultural and economic rights of each individual caste are predetermined or ascribed by birth and made hereditary   *Thinking Through Pedagogy for Primary and Early Years* Tony Eaude,2011-01-10 This practical accessible book encourages a deep often challenging consideration of how young children learn and how teachers and other adults best support their learning Essential reading for education students it draws on research and practice to help readers reflect critically on their beliefs and practice After comparing different views of pedagogy it explores children s development and the importance of culture and context emphasising the attributes of successful learners relationships and the learning environment Readers are helped think through how different aspects of pedagogy are interlinked and consider the implications for breadth balance planning and assessment and continuing professional development   **2012-2013 UNCG Graduate School Bulletin** ,   For Public Service Paul Du Gay,Thomas Lopdrup-Hjorth,2022-09-29 This book develops a particular stance on the subject of public

service It does so in large part by indicating how early modern political concepts and theories of state sovereignty government office and reason of state can shed light on current problems failings and ethical dilemmas in politics government and political administration Simply put public service is an activity involving the constitution maintenance projection and regulation of governmental authority Public service therefore has a distinctive character because of the singularity of its official object or core task namely the activity of governing in an official capacity through and on behalf of a state In pursuing this activity public servants civil juridical and military have a range of tasks to perform It is only once the nature of those tasks is appreciated that we are able to identify the unique character of public service The authors employ early modern political concepts and doctrines of state sovereignty government office and reason of state in order to critically analyse contemporary political issues and offer solutions to problems concerning the status and conduct of public service This book aims to remind public servants of the status of their calling as office holders in the service of the state a daunting task given the rising tide of populism and the widespread prevalence of anti statist bureaucrat bashing political discourse It stresses the governmental dimension of the work of public servants as occupants of official roles in the service of the state in order to reinforce their legitimate position in articulating public interests against the excesses of private interests and intense partisanship that continue to dominate many societies This timely and thought provoking book will be of great interest to those working within a range of fields in the humanities and social sciences including political science history sociology philosophy organization studies and public administration *Language Loyalty, Language Planning, and Language Revitalization* Nancy H. Hornberger,Martin Pütz,2006-01-01 Joshua Fishman is perhaps best known and loved for his pioneering and enduring work in language loyalty and reversing language shift This volume brings together a selection of his writings on these topics and some of his personal perspectives on the field of sociolinguistics **Borderscaping: Imaginations and Practices of Border Making** Dr Chiara Brambilla,Dr Jussi Laine,Professor Gianluca Bocchi,Professor James W. Scott,2015-12-28 Using the borderscapes concept this book offers an approach to border studies that expresses the multilevel complexity of borders from the geopolitical to social practice and cultural production at and across the border Accordingly it encourages a productive understanding of the processual de territorialized and dispersed nature of borders and their ensuring regimes in the era of globalization and transnational flows as well as showcasing border research as an interdisciplinary field with its own academic standing Contemporary bordering processes and practices are examined through the borderscapes lens to uncover important connections between borders as a challenge to national and EU policies and borders as potential elements of political innovation through conceptual re framings of social political economic and cultural spaces The authors offer a nuanced and critical re reading and understanding of the border not as an entity to be taken for granted but as a place of investigation and as a resource in terms of the construction of novel geo political imaginations social and spatial imaginaries and cultural images In so doing they suggest that rethinking borders means

deconstructing the interweaving between political practices of inclusion exclusion and the images created to support and communicate them on the cultural level by Western territorialist modernity The result is a book that proposes a wandering through a constellation of bordering policies discourses practices and images to open new possibilities for thinking mapping acting and living borders under contemporary globalization *Borderscaping: Imaginations and Practices of Border Making* Chiara Brambilla,Jussi Laine,Gianluca Bocchi,2016-04-15 Using the borderscapes concept this book offers an approach to border studies that expresses the multilevel complexity of borders from the geopolitical to social practice and cultural production at and across the border Accordingly it encourages a productive understanding of the processual de territorialized and dispersed nature of borders and their ensuring regimes in the era of globalization and transnational flows as well as showcasing border research as an interdisciplinary field with its own academic standing Contemporary bordering processes and practices are examined through the borderscapes lens to uncover important connections between borders as a challenge to national and EU policies and borders as potential elements of political innovation through conceptual re framings of social political economic and cultural spaces The authors offer a nuanced and critical re reading and understanding of the border not as an entity to be taken for granted but as a place of investigation and as a resource in terms of the construction of novel geo political imaginations social and spatial imaginaries and cultural images In so doing they suggest that rethinking borders means deconstructing the interweaving between political practices of inclusion exclusion and the images created to support and communicate them on the cultural level by Western territorialist modernity The result is a book that proposes a wandering through a constellation of bordering policies discourses practices and images to open new possibilities for thinking mapping acting and living borders under contemporary globalization **American Anthropologist** ,1929 *Indian Tribal Culture* Gaya Pandey,2022-01-01 This book is an academic attempt of the author to present cultural features of Indian tribes developmental efforts made by the Government to bring them in mainstream and socio cultural changes which have occurred in different periods of time making them dynamic and progressive The book is divided into twenty chapters dealing with the tribals of India As we know that Indian tribals are found in every geographical region of India such as north eastern Indian region north western Indian region central Indian region western Indian region and southern Indian region Therefore region wise cultural practices have been presented in the book describing their social economic political religious ritualistic village polyandrous polygenous movements forest life women and tribal identity Changing models of tribal development welfare programmes and developmental programmes launched by the Government have also found significant place in the book Processes of socio cultural changes like Hinduisation Islamisation Christianisation Westernisation modernisation secularisation urbanisation industrialisation globalisation detribalisation revitalisation retribalisation and tribalisation have been presented in scientific manner The book will be of great help to the students of Anthropology Sociology History and other social science subjects It will also be useful to the candidates opting
