Psychiatric Social Work in Great Britain Noel Timms, 2018-12-07 Originally published in 1964 Psychiatric Social Work looks at psychiatric social work as an established form of professional social work in Great Britain as well as the mental health policy introduced at the time of the book's publication. The book looks at how social workers in the 1960s were striving for professional status and the interest that grew around their professional status during this period. The book examines changes and issues in their training and a general picture of those who qualified. It looks at the careers of a group of social workers and follows the developments in child guidance mental hospitals and the care of the mentally ill in the community. The contribution of social workers is discussed and their activities of the professional associations in training and professional development is examined. This book will act as an important historical look at the changes to social work.

Authority in Social Casework Robert Foren, Royston Bailey, 2016-06-06 Authority in Social Casework reviews the various settings in which social work is practiced. This book describes the presence of some component of authority in all casework situations while distinguishing the modes suitable to each setting and to the various needs of clients. Organized into three parts encompassing 10 chapters, this book begins with an overview of the practice of social casework in an authority setting. This text then examines the different concepts of authority as they affect the casework process. Other chapters consider the ways in which authority inheres in the role and function of workers in various casework settings. This book discusses as well the ways in which the nature of the setting determines the types of authority its workers possess. The final chapter deals with the use of a more assertive casework method of support which depends on the accurate assessment of the degree of maturity indicated by the client. Caseworkers will find this book useful. **Social Casework IIs 189** Noel Timms, 2013-10-28 First published in 1998.
