The Calling of Joy! Bruce Davis, 2006-02 *The Calling of Joy* is a calling to find the part of us that is more than what we do how much we have and what we think It is a calling to our inner river our passion our well of being our truth Joy does not come by accident or coincidence It does not come from hard work or simply good luck Joy is remembering trusting being rediscovering our inner resources Joy is creativity tears and laughter Joy is our guide through life's many choices We can feel joy in our body Joy is slowing down from the fearful energy of the daily world to life's beauty innocence the ocean of peace in this moment It is joy that heals the separation from our mind and heart And it is joy that heals the separation from our heart and our soul Each of us is called to listen and honor our hearts to nourish ourselves deeply and

unfold our true self into the world Joy found in the midst of great difficulty is joy found forever We have choices everyday to wrestle with the current plot of our lives or find the possible joy There are many golden silent moments each day which can be real food for a busy mind and hurting heart Are we open to the moments of pure life that feed us no matter how easy or difficult light or challenging our lives maybe *The Anatomy of a Calling* Lissa Rankin,2015-12-29 In *The Anatomy of a Calling* Lissa Rankin MD makes a simple yet revolutionary claim We are all every single one of us heroes We are all on what Joseph Campbell calls a hero s journey we are all on a mission to step into our true nature and fulfill the assignment our souls were sent to Earth to fulfill Navigating the hero s journey Dr Rankin argues is one of the cornerstones of living a meaningful authentic healthy life In clear engaging prose Dr Rankin describes her entire spiritual journey for the first time beginning with what she calls her perfect storm of events and recounts the many transformative experiences that led to a profound awakening of her soul Through her father s death her daughter s birth career victories and failures and an ongoing struggle to identify as both a doctor and a healer Dr Rankin discovers a powerful self awareness As she shares her story she encourages you to find out where you are on your own journey and offers wisdom and inspiration in the form of Hero s Guideposts along the way Dr Rankin weaves in lessons on trusting intuition surrendering to love and learning to see adversity as an opportunity for soul growth Much more than a memoir *The Anatomy of a Calling* guides you to make a powerful shift in consciousness and reach your highest destiny **Boston's Cardinal** Bernard F. detaching conscious energetic cording This is beyond the cording you are exposed to in everyday interactions These are conscious energetic infiltrations that deliberately cord to you and extract energy from you discreetly without your consent How do they impact your life When in conflict the conscious energetic cording amplify your negative emotions to manipulate you to react rather than act The cording takes all the energy they choose for personal gain and leaves you to deal with the consequences They purposely try to keep you immersed in conflict to divert your attention away from your spiritual path In regards to your physical and mental health evolved conscious energetic cording are capable of causing health issues and attaching to symptoms of diseases and injuries You end up treating the organic reason for the injury or symptom and ignoring the energetic component Calls to God are decrees that are recited by you in collaboration with Gods energy to disengage conscious energetic cording They are said from the heart calling for accountability not vengeance with unconditional love and forgiveness With routine use you will move through conflicts instead of becoming a part of them You will clear the energetic component of disease and injury Calls to God decrees will teach you how to regain your spiritual autonomy and not be encumbered with the influences of conscious energetic infiltrations that do not have your best interest at heart
