The Mason County "Hoo Doo" War, 1874-1902 David D. Johnson, 2006 A haunting story of ethnic strife human frailty betrayal vengeance and the harrowing repercussions of mob justice The Mason County War Wayne D. Overholser, 1976

HooDoo War Craig Rainey, 2024-02-09 Set in the backdrop of one of the bloodiest range wars in Texas history HooDoo War is the story of Boyd Wechsler the son of a lovely young widow who grows up on his wealthy grandfather's ranch He learns the truth about his long dead father when a ruthless outlaw and his gang are arrested and condemned to death at the hands of a corrupt sheriff After learning the secret his mother and grandfather kept from him his entire life he finds himself on a path shared by those who seek revenge against his grandfather and the men who support him This heart wrenching Western drama follows the life of a German immigrant boy's life from learning the truth about his late father who died under suspicious circumstances through early manhood when he learns the truth about his birth and the reason he has always been an outcast His path leads him into the middle of the violence of the Mason County War From his efforts to please a stern grandfather who will never respect him to discovering a lost uncle whose singular goal is to see his grandfather dead for his sins from before Boyd's birth Boyd will have to choose between honor or vengeance Does he remain loyal to the family who raised him or does he betray that upbringing to honor the blood that flows in his veins In this Texas Frontier Tale Craig Rainey weaves his fictional characters into the tapestry of the history of the Mason County War the Texas range war known as the HooDoo War *Mason County Or Hoo Doo War* Jerry Ponder, Julius DeVos, Robert Laury (photographer), 2003 This tour will begin as a walking tour through downtown Mason Although known as the Mason County War through the years it has become more common to say the Hoo Doo War A Hoo Doo was someone who rode at night masked looking for trouble

records indicate a far different picture The family patriarch Sam Horrell was slain at forty eight during a fight with Apaches in New Mexico One Horrell son died in Confederate service of the remaining six brothers five were shot to death Only Sam Jr lived to old age and died of natural causes Johnson covers the Horrells and their wars from cradle to grave Their initial confrontation with the State Police at Lampasas in 1873 marked the most disastrous shootout in Reconstruction history and in the history of the State Police The brothers and loyal friends then fled to New Mexico where they became entangled in what would later evolve into the violent Lincoln County War Their contribution known to history as the Horrell War has racial overtones in addition to the violence that took place in Lincoln County The brothers returned to Texas where in time they became involved in the Horrell Higgins War The family was nearly wiped out following the feud when two of the brothers were killed by a mob in Bosque County Johnson presents an up to date account of these wars and incidents while maintaining a neutral stance necessary for historical books dealing with feuds He also includes previously unpublished photographs of the Horrell family and others **The Mason County "Hoo Doo" War, Anthology** ,2006 *Texas Ranger John B.
