

My Heart Is Warm

The temperatures were lower and the winds were colder
Yet my heart was as warm as can be. Cause the way you looked at me.
Your eyes radiated a love so strong - I knew this was where I belonged
The temperature may be thirty below, but in my heart I feel a glow.
Like a spark that starts a fire, you fill my hearts desire.

Never in my life I would have thought, that you was the one that I sought.
I had wandered city streets in despair looking for one to care
I had searched places where people gathered, but not one
Place ever mattered.
Peace I could never gain and my search was always in vain.

Had I known that you was always in front of me
My search would never have been a mystery
Take my hand and let us walk in paradise
Because tonight I'll ask you to be my wife.
