

The Mebage Of Guadalupe

Manuela Testoni

The Mebage Of Guadalupe:

The Treasure of Guadalupe Timothy Matovina, Virgil Elizondo, Allan Figueroa Deck, 2006-03-28 Three leading scholars of Latino religious studies team up in this edited collection to present original meditations and reflections on Our Lady of Guadalupe one of the most prominent religious images of the western hemisphere Newest in the Celebrating Faith series this book considers the meaning behind the symbol of Guadalupe Because of the wide array of contributors the figure of Guadalupe is examined from a variety of viewpoints Catholic and Protestant male and female scholarly and liturgical Written in a scholarly yet spiritual manner this analysis of Guadalupe recognizes her dual roles of maternal figure and inspiring evangelizer Contributors discuss the history of Guadalupe and analyze how to carry out her message and teachings in contemporary society The Treasure of Guadalupe is ideally suited to courses in Latino religious and cultural studies and adds important contributions to the ongoing dialogue of Our Lady of Guadalupe Guadalupe, Mother of the New Creation Virgilio P. Elizondo, 1997 A profound poetic and inspiring reflection on the meaning of Our Lady of Guadalupe the apparition to the Indian Juan Diego in Mexico City in 1531 *The Virgin of Guadalupe and the Reproduction of Sacred Meaning* Jamie Christine Torres, 1999 Our Lady of Guadalupe Manuela Testoni, 2001 In this work the author examines the ancient sources pertaining to the apparitions of Mary on the hill called Tepeyac near Mexico City from December 9 12 1531 and also the historical testimony of the event from the beginning of the sixteenth century to the present day The author concentrates first of all on the historical dimension in order later to manifest the theological and anthropological content of the message of Guadalupe where Mary and the prophetic figure of Juan Diego are placed in relief After resolving the critical problem the apparitions are studied from a theological point of view The fundamental value of these apparitions becomes evident when we scrutinize the popular religiosity of the Mexican people where symbol and myth faith and culture are intermingled enabling us to discover the beauty and reality of Aztec theology manifested in the language of Mary in the flowers miraculously blooming on the hillside and in the beautiful song of the birds The historical figure of Juan Diego the chosen ambassador of the Blessed Virgin has been neglected for too long Besides bringing the reader up to date regarding studies ancient and new made about Juan Diego the biographical material found here reveals why when Pope John Paul II conferred the title of Blessed on Juan Diego in May 1990 he proclaimed him patron of the indigenous people of Mexico and the poor of the world everywhere This work is the fruit of a direct and attentive reading of the sources and a wide variety of authors In my opinion there is little that could be added for a pastoral knowledge of the Virgin of Guadalupe Gianni Colzani Book jacket

Our Lady of Guadalupe Carl Anderson, Eduardo Chavez, 2017-12-05 Nearly a decade after Spain's conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened

and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe's place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin's miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In Our Lady of Guadalupe Mother of the Civilization of Love Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe's message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today

The Image of Guadalupe Jody Brant Smith, 1983

Mexican Phoenix D. A. Brading, 2001 Juan Diego to whom the Virgin Mary appeared in 1531 miraculously imprinting her likeness on his cape was canonised in Mexico in 2002 by Pope John Paul II In 1999 the revered image of Our Lady of Guadalupe had been proclaimed patron saint of the Americas by the Pope How did a poor Indian and a sixteenth century Mexican painting of the Virgin Mary attract such unprecedented honours Across the centuries the enigmatic power of the image has aroused fervent devotion in Mexico it served as the banner of the rebellion against Spanish rule and despite scepticism and anti clericalism still remains a potent symbol of the modern nation This book traces the intellectual origins the sudden efflorescence and the adamant resilience of the tradition of Our Lady of Guadalupe and will fascinate anyone concerned with the history of religion and its symbols

The Image of Guadalupe Jody Brant Smith, 1994

The world renowned Image of Our Lady of Guadalupe has mystified and evoked the adoration of millions since its first appearance in Mexico City in 1531 The origin of the Image has baffled believer and skeptic alike In his unparalleled examination of the Guadalupe mystery Professor Jody Brant Smith equally sensitive to the demands of objectivity and reverence diligently applies current techniques of scientific and historical scrutiny like that used in investigating the Shroud of Turin to determine if the Image is attributable to myth or miracle Here he continues his discussion of the enigmatic origin and history of the Image and offers new insight from his career long exploration of the Guadalupan mystery

Our Lady of

Guadalupe and Saint Juan Diego Eduardo Chávez, 2006 In *Our Lady of Guadalupe and Saint Juan Diego* Eduardo Ch vez presents the most important points of the Great Guadalupan Event the apparition of Our Lady of Guadalupe to Juan Diego a recently converted indigenous man in Mexico Through a utilization of the numerous historical documents and investigations of this event Ch vez details the reality of what occurred in the cold winter of 1531 As described by Pope John Paul II The Guadalupan Event is the perfectly inculturated Evangelization model Ch vez s historical analysis not only represents strong scholarship but also draws the reader closer to the spiritual power of the events As the newest contribution to the series *Celebrating Faith Explorations in Latino Spirituality and Theology* this work is of course ideal for use in Latino Studies but also appeals to wider audience more curious about the Guadalupan event and its meaning for contemporary Christianity

Guadalupe Mysteries Grzegorz Gorny, Janusz Rosikon, 2016-10-30 Our Lady of Guadalupe is the most beloved symbol of Mexican Catholicism and devotion to her is widespread in the USA While she has entranced and encouraged Mexican Catholics for several centuries believers and even nonbelievers the world over are inspired and intrigued by her Millions of pilgrims visit her shrine in Mexico City every year Both Pope John Paul II and Pope Francis have travelled there to pray for her motherly intercession And scientists from many disciplines have studied the amazing attributes of her mysterious image In this glorious lavishly illustrated book the renowned author photographer team Grzegorz G rny and Janusz Rosikon take the reader on an illustrated pilgrimage to Our Lady of Guadalupe They tell the amazing story of her apparition to Juan Diego in 1531 and its dramatic impact upon the destiny of an entire people They interview the various experts on the image and reveal its symbolic messages those of the past and those speaking to us today
