The Mediaeval Statutes of the College of Autun at the University of Paris Pvrís (Musical group). Collège d'Autun, 1971 *The mediaeval statutes of the College of Autun at the University of Paris* Collège d'Autun (Paris, France), David Sanderlin, 1971 *Biographical Register of Paris Doctors of Theology, 1500-1536* James K. Farge, 1980 Revision of appendix to the author's thesis University of Toronto 1976 **The Medieval Statutes of the College of Autun at the University of Paris** David SANDERLIN, 1971 **History of Universities** Mordechai Feingold, 2008-04-10 Volume XXII 2 of History of Universities contains the customary mix of learned articles book reviews and bibliographical information In this special issue the contributors examine the institutional and intellectual history of the Collège de Montaigu from the fourteenth to the eighteenth century **Parisian Licentiates in Theology, A.D. 1373-1500. A Biographical Register** Thomas Sullivan, O.S.B., 2011-03-04 This volume presents a biographical register of 460 members of the secular clergy licensed in theology at the University of Paris between 1373 and 1500 The register is preceded by a discussion of the sources used in its preparation and a list of all the clerics religious as well as secular licensed in Paris between 1373 and 1500 Appended to the register is an index listing all those licensed belonging to the secular clergy arranged according to their first names and an index of those licensed arranged according to college affiliation The register is offered in service to historians of the medieval university as well as those interested in the professoriate of the premier theological faculty of the day Parisian Licentiates in Theology, A.D. 1373-1500. A Biographical Register Thomas Sullivan, Thomas Sullivan O. S. B., 2011-03-04 The second volume of a two volume biographical register of Parisian theologians licensed in theology between 1373 and 1500 this book presents biographical notices of 460 members of the secular clergy who received the licentiate at that time **Officers and Accountability in Medieval England 1170--1300** John Sabapathy, 2019-09-13 The later twelfth and thirteenth centuries were a pivotal period for the development of European government and governance A mentality emerged that trusted to procedures of accountability as a means of controlling officers conduct The mentality was not inherently new but it became qualitatively more complex and quantitatively more widespread in this period across European countries and across different sorts of officer The officers exposed to these methods were not just state ones but also seignorial ecclesiastical and university college officers as well as urban communal ones This study surveys these officers and the practices used to regulate them in England It places them not only within a British context but also a wide European one and explores how administration law politics and norms tried to control the insolence of office The devices for institutionalising accountability analysed here reflected an extraordinarily creative response in England and beyond to the problem of complex government inquests audits accounts scrutiny panels syndication Many of them have shaped the way in which we think about accountability today Some remain with us So too do their practical problems How can one delegate control effectively How does accountability relate to responsibility What relationship does accountability have with justice

This study offers answers for these questions in the Middle Ages and is the first of its kind dedicated to an examination of this important topic in this period *The Medieval Origins of the Legal Profession* James A. Brundage, 2024-05-31 In the aftermath of sixth century barbarian invasions the legal profession that had grown and flourished during the Roman Empire vanished Nonetheless professional lawyers suddenly reappeared in Western Europe seven hundred years later during the 1230s when church councils and public authorities began to impose a body of ethical obligations on those who practiced law James Brundage's *The Medieval Origins of the Legal Profession* traces the history of legal practice from its genesis in ancient Rome to its rebirth in the early Middle Ages and eventual resurgence in the courts of the medieval church By the end of the eleventh century Brundage argues renewed interest in Roman law combined with the rise of canon law of the Western church to trigger a series of consolidations in the profession New legal procedures emerged and formal training for proctors and advocates became necessary in order to practice law in the reorganized church courts Brundage demonstrates that many features that characterize legal advocacy today were already in place by 1250 as lawyers trained in Roman and canon law became professionals in every sense of the term A sweeping examination of the centuries long power struggle between local courts and the Christian church secular rule and religious edict *The Medieval Origins of the Legal Profession* will be a resource for the professional and the student alike **Becoming Male in the Middle Ages** Jeffrey Jerome Cohen, Bonnie Wheeler, 2015-11-17 First published in 1997 Most work in gender studies has focused on women This volume brings together various forms of gender theory especially feminist and queer theory to explore how men made cultures and culture made men in the Middle Ages
