NEW EDITION

The Mediterranean Runs Through Brooklyn

Josephine Hendin

The Mediterranean Runs Through Brooklyn:

The Mediterranean Runs Through Brooklyn Anthony Valerio, 1982 *The Heart and the Island* Chiara Mazzucchelli, 2015-08-04

Makes the case for a distinctly Sicilian American literature In *The Heart and the Island* Chiara Mazzucchelli explores the strong bond between Sicilian American writers and the island of Sicily Self contained yet connected to the mainland geographically separated from yet politically united to the rest of Italy Sicily occupies a unique position Throughout the twentieth century the sense of a distinct sicilianit or Sicilianness has manifested itself in a corpus of texts that although subsumed under the broader context of Italian literature have distinguished themselves as examples of an exquisitely Sicilian literary experience Mazzucchelli argues that a parallel phenomenon sicilianamericanit has emerged in the United States Focusing on the island s geography history and culture she examines how many American authors of Sicilian descent derive inspiration from their ethnic milieu and lay out a recognizable set of Sicilian culture markers in their works thereby producing a literature that is distinctly Sicilian American Drawing on both Italian and Italian American scholarship *The Heart and the Island* is the first full length study of Sicilian American literature and it opens a space for new interdisciplinary discussions on what it means to be Italian on both sides of the ocean *The Heart and the Island* makes a distinctive contribution to the field of Italian American studies provocatively extending it as well as continuing the invaluable work of providing reflection on a variety of narratives distinguished by generic innovation and distinctive responses to sicilianit Chiara Mazzucchelli has beautifully advanced the field interweaving with skill and poise the voices of Sicilian and Sicilian American writers Mary Jo Bona author of *By the Breath of Their Mouths* Narratives of Resistance in Italian America

The Italian American Heritage Pellegrino A D'Acierno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors *Dagoes Read* Fred L.

Gardaphé,1996 Since 1987 writer and critic Fred Gardaph has regularly reviewed Italian North American literature in *Fra Noi* an Italian American monthly newspaper based in Chicago This volume features the best of Parole Scritte his monthly columns Introduced by an essay from which the collection gets its title *Dagoes Read* is the first publication of its kind in the history of Italian North American literature It serves as a fine introduction to this literary movement as well as a survey of recent publications by Italian North Americans Works reviewed include those by Tony Ardiaone Dorothy Bryant Pietro di Donato John Fante Maria Mazziotti Gillan Frank Lentricchia Jay Parini Diane Raptosh Gay Talese Sal LaPuma and many others

A Concise Companion to Postwar American Literature and Culture Josephine Hendin,2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive

Encyclopedia of Italian Literary Studies Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

Leaving Little Italy Fred L. Gardaphé,2012-02-01 Leaving Little Italy explores the various forces that have shaped and continue to mold Italian American culture Early chapters offer a historical survey of major developments in Italian American culture from the early mass immigration period to the present day situating these developments within the larger framework of American culture as a whole Subsequent chapters examine particular works of Italian American literature and film from a variety of perspectives including literary history gender social class autobiography and race Paying particular attention to how the individual artist s personality has intersected with community in the shaping of Italian American culture the book reveals how and why Italian America was invented and why Little Italys must ultimately disappear

From the Margin Anthony Julian Tamburri,Paolo Giordano,Fred L. Gardaphe,Fred L. Gardaphé,1991 This anthology hailed as a significant contribution to American ethnic studies features the short stories poems and plays of more than thirty Italian American artists Drawing on

their individual and collective backgrounds and experience these writers convey another vision of American life A section of critical essays by established scholars in the field with topics ranging from specific works and authors to broad literary movements and film studies analyzes the Italian American phenomenon and the role of ethnicity in literature The extensive bibliography treats creative works critical essays and films dealing with the Italian American experience and promises to be an invaluable research tool

The Loss of the Miraculous Ben Morreale, 1997 The Loss of the Miraculous is the story of three men and a young woman in an American town by the River Dunbar It is also the story of a wild and brilliant painter in an ancient Sicilian hill town All four are looking for the miraculous The miraculous for the three men is love in all its aspects for the young woman it is the search of love in the time of the dirty war The painter in Sicily hovers over them all and retells the story of how he saved the young woman Jeanne from the mysterious killer who kills whenever a comet appears in the sky once every ten years

The Mediterranean Runs Through Brooklyn Introduction

In today's digital age, the availability of The Mediterranean Runs Through Brooklyn books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Mediterranean Runs Through Brooklyn books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Mediterranean Runs Through Brooklyn books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Mediterranean Runs Through Brooklyn versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Mediterranean Runs Through Brooklyn books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Mediterranean Runs Through Brooklyn books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Mediterranean Runs Through Brooklyn books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Mediterranean Runs Through Brooklyn books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Mediterranean Runs Through Brooklyn books and manuals for download and embark on your journey of knowledge?
