The Memorial Book for the Jewish Community of Yurburg, Lithuania Joel Alpert, 2003 This is the English translation of the Memorial or Yizkor Book of the Jewish Community of Yurburg Lithuania originally published in 1991 in Hebrew and Yiddish It also has an additional new 150 page appendix containing new material collected since the publication of the original book Contains many new photographs to enhance the original book

The Great Leap-Fraud A.J. Deus, 2011-01-19 Religious ignorance is as dangerous for societal stability as religious extremism In *The Great Leap Fraud* author A J Deus shows that only through the cowardly behavior of a majority that is uneducated in religious questions can sectarian extremism and terrorism take shape and overtake societies Modern civilizations fail to address the dangerous defect Based on a reassessment of primary documents from the beginning of Judaism through to the Reformation *The Great Leap Fraud* evaluates the Judaic scriptures of the Jews the Christians and the Muslims for their potential to stir hatred violence and terrorism It searches for messages in the scriptures that may alter the economic behavior of societies While providing an overview of three major religions Judaism Christianity and Islam *The Great Leap Fraud* uncovers a series of frauds and premeditated deployment of prophets with the goal to establish or redeem the Jewish state of Israel It also uncovers how the vested interest of Christian historians has pushed the rise of Christianity unto Roman Emperors Deus shows that the way humans think and act are strongly influenced by a culture driven by the norms of religious organizations both past and present More information at www.ajdeus.org

Preserving Our Litvak Heritage Josef Rosin, 2005 This book examines the treatment of joint ventures JVs in EU competition law and at the same time provides a comparison with US law It starts with an analysis of the rather elusive concept of JVs encompassing both concentrative JVs subject to merger control and non concentrative JVs Although focused on possible definitions of JVs in terms of competition law it also includes a broader perspective going beyond competition law on the different legal models of structuring cooperation links between undertakings At the core of the book is an attempt to build an analytical model for the assessment of JVs in terms of antitrust law especially as regards Article 101 of the Treaty on the Functioning of the European Union The analytical model used proposes a set of sequential analytical levels taking into account structural factors and specific factors related to the main constituent elements of the functional programs of JVs The model is applied to a substantive assessment of four main types of JVs identified on the basis of their prevailing economic function R D JVs production JVs commercialization JVs and purchasing JVs Also covered are particular situations of joint ownership of undertakings falling short of joint control In the concluding part of the book recent developments in JV antitrust law are put into context within the wider reform of EU competition law The book is comprehensive and up to date in terms of the reform of the EU framework on horizontal cooperation between undertakings which was introduced at the end of 2010 Series Hart Studies in Competition Law Vol 6
