The Messenger Of Saigon Lauren Rice, 2004-07 There s a lot of buzz these days about manifesting how to do it when to do it who can do it but manifesting our desires really isn t such a new idea Some people have been doing it for years The stories in this book will help you see it CAN be done and believe that YOU can do it Butterflies and Dreams Manifesting Your Heart s Desire I was taken by surprise when a friend told me that I am a master at manifesting and it was some time before I allowed myself to accept this as a true statement When I look back over my experiences in recent years I am astounded to realize that I have intentionally created wonderful results in so many areas I have met and married my soulmate relocated to sunny Florida and eliminated a mountain of debt As I write this book I am fulfilling yet another dream to share with others this wondrous ability we all have to consciously create our life experience My intention for writing Butterflies and Dreams is that you will see yourself in one of the stories and decide that it is possible for you to follow your heart and with unbending intention create a life that you love This book contains stories about manifesting drawn from my own experience as well as tales from others about wonderful achievements in their lives These stories address many aspects of life including relationships finances fulfilling dreams and facing life challenges I hope that as you read this book you will find a story or an idea that will set in motion your innate ability to manifest your heart s desires **Chief Shot with Arrow, Water Walker**
