conventions published poetry and mined past triumphs for stage productions that enjoyed mixed success Distracted from storytelling as he became more famous Bradbury nonetheless published innovative experiments in autobiography masked as detective novels the well received fantasy *The Halloween Tree* and the masterful time travel story *The Toynbee Convector* Yet his embrace of celebrity was often at odds with his passion for writing and the resulting tension continuously pulled at his sense of self The revelatory conclusion to the acclaimed three part biography *Bradbury Beyond Apollo* tells the story of an inexhaustible creative force seeking new frontiers
