Cadigan,2011-11-14 Dirty Work In a manner of speaking perhaps but certainly not along the lines of de Sade or Henry Miller Dirty maybe because within this remarkable volume of short stories a follow up to her award winning collection Patterns author Pat Cadigan unflinchingly explores the implications of technology on modern and near future societies humorously challenges our perceptions of reality and chillingly strips away our civilized facades to confront the bestial nature of our souls With stories like Home By the Sea Dispatches from the Revolution No Prisoners 50 Ways to Improve Your Orgasm and Naming Names Pat Cadigan exhibits an enviable ability to tackle a variety of themes moods and perspectives And makes it all

seem easy Featuring 18 stunning fictions including the previously unpublished *Lost Girls* written especially for this book as well as intriguing author introduction to each story *Dirty Work* is a thought provoking often funny never compromising collection by one of America's most gifted authors It doesn't get any better than this **Easy Ego State Interventions** Robin Shapiro, 2016-01-21 Quick essential techniques to practice ego state therapy a popular therapeutic approach Most of us have different aspects parts or ego states of ourselves the silly and imaginative five year old part for example or the depressed anxious or angry adolescent which manifest as particular moods behaviors and reactions depending on the demands of our external and internal environments Ego state therapy refers to a powerful flexible therapy that helps clients integrate and reconcile these distinct aspects of themselves This book offers a grab bag of ego state interventions simple practical techniques for a range of client issues that any therapist can incorporate in his or her practice In her characteristic wise compassionate and user friendly writing style Robin Shapiro explains what ego states are how to access them in clients and how to use them for a variety of treatment issues After covering foundational interventions for accessing positive adult states creating internal caregivers and working with infant and child states in Part I *Getting Started With Ego State Work* Shapiro walks readers step by step through a variety of specific interventions for specific problems each ready for immediate application with clients Part II *Problem Specific Interventions* includes chapters devoted to working with trauma relationship challenges personality disorders suicidal ideation and more Ego state work blends easily and often seamlessly with most other modalities The powerful techniques and interventions in this book can be used alone or combined with other therapies They are suitable for garden variety clients with normal developmental issues like self care challenges depression grief anxiety and differentiation from families and peer groups Many of the interventions included in this book are also effective with clients across the dissociation spectrum dissociation is a condition particularly well suited to ego state work including clients who suffer trauma and complex trauma Rich with case examples this book is both a pragmatic introduction for clinicians who have never before utilized parts work and a trove of proven interventions for experienced hands to add to their therapeutic toolbox Welcome to a powerful flexible resource to help even the most difficult clients build a sense of themselves as adult loveable worthwhile and competent *Putting Health into Place* Robin A. Kearns, Wilbert M. Gesler, 1998-06-01 *Putting Health into Place* draws together original works that collectively argue for a reinvention of medical geography There is a growing interest worldwide in relationships between human health and the experience of place an interest driven both by developments in sociocultural theory and observed health concerns This book is a resource for those wishing to explore or to teach beyond the frontiers of conventional medical geography As the first word of the book's title suggests this is an active volume one that contributes to situating health in the simultaneously tangible negotiated and experienced realities of place Robin A. Kearns and Wilbert M. Gesler argue that medical issues are a necessary but insufficient focus in developing geographies of health and healing This contention is supported by the authors of the thirteen substantive

chapters who convey research findings from the Americas Britain and the Pacific This book represents a collective commitment to exploring links between social and cultural theory ideas about place and discourses on health that will be of interest to readers across the social and health sciences *Better Together* Jim Tomberlin, Warren Bird, 2020-08-04

Thousands of Protestant churches are perplexed by plateaued or declining attendance while other congregations nearby thrive Is there a way for them to combine forces drawing on both their strengths in ways that also increase their missional impact In *Better Together Expanded and Updated Making Church Mergers Work* church merger consultant Jim Tomberlin and award winning writer Warren Bird make the case that mergers today work best not with two struggling churches but with a vital momentum filled lead church partnering with a joining church This much needed resource describes the range of mergers for strong stable stuck and struggling churches No matter what type of merger a church may be considering the authors address key questions about the process How can a merger help a church go forward How will a merger process unfold Where can a declining church find another congregation to join What are the pitfalls that both pastor and congregation should avoid How can better together lead to more rather than fewer life giving high impact reproducing churches They provide a complete practical hands on guide for church leaders of both struggling and vibrant churches so they can understand the issues develop strategies and execute mergers for church expansion and renewal ultimately so they can reinvigorate declining churches and give them a second life No matter what your motivation for merging your church with another to begin a new church life cycle cross racial lines reach more people for Christ multiply your church s impact or better serve your local community *Better Together* will give you the tools you need to create a thriving new entity

Culture/Place/Health Wilbert M. Gesler, Robin A. Kearns, 2005-07-05 *Culture Place Health* is the first exploration of cultural geographical health research for a decade drawing on contemporary research undertaken by geographers and other social scientists to explore the links between culture place and health It uses a wealth of examples from societies around the world to assert the place of culture in shaping relations between health and place It contributes to an expanding of horizons at the intersection of the discipline of geography and the multidisciplinary domain of health concerns **Health and**
