

A romantic couple is shown in a close embrace. The woman, on the left, has long, wavy brown hair and is wearing a dark, short-sleeved dress. She has her eyes closed and a serene expression. The man, on the right, is wearing a dark suit jacket over a light-colored shirt. He is looking down at her with a gentle expression. The background is dark and out of focus, suggesting an indoor setting with wooden paneling. The overall mood is intimate and tender.

The Heart That Would Not Hold:

Spurgeon's Sermons Volume 04: 1858 Charles Haddon Spurgeon, 2017-04-19 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the fourth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage and inspire anyone who seeks a closer and more intimate relationship with God *Sermons of the Rev. C.H. Spurgeon, of London* Charles Haddon Spurgeon, 1858 **The Novels** Samuel Richardson, 1902 *Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists* Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices

White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God's loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34

35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ s parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life *Keys to a Godly Life* Brian A Curtis,2019-03-28 There is a great gulf between the laws given by God to Moses and those in force in society today So how does a believer live in the twenty first century What rules do they apply Christians may claim that many of God s laws were fulfilled with the death and resurrection of Jesus Christ But if a believer truly wants to know who God is what makes him tick and how we are supposed to live then what better way than to study God s rules At their heart God s laws were about two things how to have a healthy relationship with him and how to build up a healthy thriving community As a consequence any search for keys to a godly life would be deficient if it did not include an examination of the rules that God gave Moses together with the insights of Solomon
