## **The Hidden Children:**

The Hidden Children Robert William Chambers, 1914      **The Hidden Children** Robert W. Chambers, 2021-08-31 The Hidden Children Robert W Chambers The Hidden Children is a 1917 American silent historical drama film directed by Oscar Apfel and starring Harold Lockwood May Allison and Lillian West It is based on a novel by Robert W Chambers set in Colonial America Location shooting took place in the San Bernardino Mountains      **The Hidden Children** Robert William Chambers, 2017-08-05 The Hidden Children      *The Hidden Children Annotated* Robert William Chambers, 2020-12-06 Hidden Children is a term for the mainly Jewish children who during the Holocaust were hidden in various different ways in order to save them from the Nazis Most were in Poland though some were also in Western Europe Not all attempts to save them were successful for instance Anne Frank was eventually captured      The Hidden Children Howard Greenfeld, 2009-06 Describes the experiences of those Jewish children who were forced to go into hiding during the Holocaust and survived to tell about it      *The Hidden Children* Howard Greenfeld, 1993 Over a million Jewish children were killed during the Holocaust From ten thousand to 100 thousand Jewish children were hidden with strangers and survived In this powerful and compelling work 25 people share their experiences as hidden children Black and white photos      **The Hidden Children by Robert William Chambers** Robert William Chambers, 2022-02-25 The Hidden Children was written in the year 1914 by Robert William Chambers This book is one of the most popular novels of Robert William Chambers and has been translated into several other languages Classic novel by the American artist and writer most well known for his collection of weird fiction short stories The King in Yellow According to some estimates Chambers was one of the most successful literary careers of his period his later novels selling well and a handful achieving best seller status      The Hidden Children Jane Marks, 2015-06-17 They hid wherever they could for as long as it took the Allies to win the war Jewish children frightened alone often separated from their families For months even years they faced the constant danger of discovery fabricating new identities at a young age sacrificing their childhoods to save their lives These secret survivors have suppressed these painful memories for decades Now in *The Hidden Children* twenty three adult survivors share their moving wartime experiences some for the first time There is Rosa who hid in an impoverished one room farmhouse with three others sleeping on a clay pallet behind a stove Renee who posed as a Catholic and was kept in a convent by nuns who knew her secret and Richard who lived in a closet with his family for thirteen months Their personal stories of belief and determination give a voice at last to the forgotten Inspiring and life affirming *The Hidden Children* is an unparalleled document of witness discovery and the miracle of human courage      The Hidden Children Robert Chambers, 2020-03-07 The Hidden Children by Robert William Chambers Is one of the most popular books of Robert William Chambers and has been translated into several other languages around the world      **The Hidden Children** Robert W. Chambers, 2022-11-13 In *The Hidden Children* by Robert W Chambers readers are immersed in a thrilling tale of mystery and suspense Set in the late 19th century the book follows the story of a young

detective who stumbles upon a series of kidnappings leading to a hidden world beneath the city streets Chambers writing style is captivating with rich descriptions and an intricate plot that keeps readers on the edge of their seats The novel is a prime example of the mystery genre with elements of horror and the supernatural woven into the narrative Chambers use of foreshadowing and suspenseful pacing adds to the overall tension of the story Robert W Chambers a prolific writer of his time was known for his contributions to the horror and mystery genres His experiences traveling and observing different cultures likely influenced his unique storytelling style Chambers fascination with the unknown and the macabre is evident in *The Hidden Children* making it a standout piece in his body of work I highly recommend *The Hidden Children* to readers who enjoy a mix of mystery horror and suspense Chambers masterful storytelling and unique blend of genres make this novel a must read for fans of classic literature and the supernatural

*The Hidden Children of France, 1940-1945* Danielle Bailly, 2010-07-01 Interviews with eighteen Jewish hidden children of France and Belgium telling the story of their survival during World War II The history of France s hidden children and of the French citizens who saved six out of seven Jewish children and three fourths of the Jewish adult population from deportation during the Nazi occupation is little known to American readers In *The Hidden Children of France 1940 1945* Danielle Bailly a hidden child herself whose family travelled all over rural France before sending her to live with strangers who could protect her reveals the stories behind the statistics of those who were saved by the extraordinary acts of ordinary people Eighteen former hidden children describe their lives before during and after the war recounting their incredible journeys and expressing their deepest gratitude to those who put themselves at risk to save others make s a contribution to our knowledge of the Holocaust AJL Reviews In interviews the survivors revealed the social and psychological struggles they have had to cope with over the years Most have pursued productive careers and raised families Told in interview or narrative form both ways are illuminating and made more so by Betty Becker Theye s unusually fluent translation Sacramento Book Review *The Hidden Children of France* documents the stolen childhoods of eighteen Holocaust survivors who are among the last witnesses of the Nazi era During this time The New School s University in Exile brought to safety over 180 great scholars whose very lives just like these children were threatened by National Socialism and the evil of Hitler It is through the stories of survivors that we preserve the truth and history of the past and educate our future generations to ensure compassion and justice for all Bob Kerrey President The New School Meticulous translation Unlike some testimony literature where the voice recording prevails in this collection each testimony retains an individual voice Marilyn Gaddis Rose translator of Charles Augustin Sainte Beuve s *Volupt The Sensual Man*

***The Hidden Children*** Jane Marks, 1995-03-14 They hid wherever they could for as long as it took the Allies to win the war Jewish children frightened alone often separated from their families For months even years they faced the constant danger of discovery fabricating new identities at a young age sacrificing their childhoods to save their lives These secret survivors have suppressed these painful memories for decades Now in *The Hidden Children* twenty three adult

survivors share their moving wartime experiences some for the first time There is Rosa who hid in an impoverished one room farmhouse with three others sleeping on a clay pallet behind a stove Renee who posed as a Catholic and was kept in a convent by nuns who knew her secret and Richard who lived in a closet with his family for thirteen months Their personal stories of belief and determination give a voice at last to the forgotten Inspiring and life affirming *The Hidden Children* is an unparalleled document of witness discovery and the miracle of human courage The trauma of the hidden child Marcel Frydman, 2018-12-17 An analysis of the trauma of the hidden children and his long term repercussion This book is made up of two distinct sections which are integrally connected The author's intent is not only to present and identify the trauma of Jewish children hidden under the Nazi Occupation but also to analyse its short and long term repercussions To achieve this Marcel Frydman uses two complementary approaches The first section is an autobiographical study evoking the experience and conditions in which most Jewish children and adolescents lived during the time of the Occupation presented from the psychologist's point of view This approach is all the richer thanks to the author's professional career in psychology and a series of studies he carried out focusing on the lives of children deprived of a family environment The second section contains two retrospective clinical studies one of a sample of adults that had been hidden as children but who rediscovered their parents after the Liberation the other of a group of orphans whose parents perished in the camps Both groups demonstrate the indelible characteristics of the children's experiences during the time of the Occupation After having focused on the unspeakable nature of the trauma and how this marks the adult personality the author attempts to explain the hidden children's long silence during which the suffering was internalized He has identified specific personality traits that brought to light particular vulnerabilities and the possibility and dangers of transmitting these traits to the next generation This work was remarkably and rapidly successful in Belgium because it clearly differs from earlier publications based only on the author's personal experience All copies of the first edition were sold out in less than eighteen months A second edition will be printed in Paris by the end of February 2002 Some of our U S colleagues such as Dr Thomas Jaeger and Dr J Khader from Omaha Nebraska have emphasized the indisputable importance that this book would have both in the U S and in Israel if only there were an English version This is why we are requesting your financial aid for the translation expenses A sum of 5 000 US would allow us to attain this objective Discover the story of the hidden children under the Occupation in an essay by a renowned psychologist EXTRAIT It was barely six in the morning on April 13 1943 when along with my cousin who was two years older than me I left the house where nine Jews had found refuge in order to escape the deportations Since September 8 1942 we had been hiding at a tombstone engraver's Oscar Dumeunier just two steps from the Etterbeek cemetery located in Woluw St Lambert on the outskirts of the Brussels urban area In this quiet region relatively far from the city centre we rarely encountered German soldiers The apartment at our disposal was located above an unused caf We entered the upper floors from behind the building after having gone through the owner's workshop so as to avoid attracting anyone's attention The

only issue that seemed problematic at least in the beginning was that of supplies In our case basic caution required that the adults avoid leaving the apartment to shop in the neighbourhood In fact they all had noticeable foreign accents which would have attracted attention thereby making their presence suspicious As a result one of the children took up this task and as a general rule it was my responsibility The day after the major raid at Brussels south train station a friend of the family rushed into our home at daybreak She was still frightened and emotionally shocked from the events she had undergone the previous night

**The Hidden Children an Annotated** Robert Chambers,2020-06-09 The Hidden Children was written in the year 1914 by Robert William Chambers This book is one of the most popular novels of Robert William Chambers and has been translated into several other languages around the world

**Hidden Children of the Holocaust** Suzanne Vromen,2010-03-04 In the summer of 1942 in Belgium Jewish parents searched desperately for safe haven for their children As Suzanne Vromen reveals in Hidden Children of the Holocaust they quite often found sanctuary in Roman Catholic convents and orphanages Vromen has interviewed not only those who were hidden as children but also the Christian women who rescued them and the nuns who gave the children shelter all of whose voices are heard in this moving book Indeed here are numerous first hand memoirs of life in a wartime convent the secrecy the deprivation the cruelty and the kindness all with the backdrop of the terror of the Nazi occupation

**The Hidden Child Brides of the Syrian Civil War** Simona Strungaru,2024-04-17 This book provides a comprehensive account of one significantly underreported aspect of violence affecting young refugee girls today that of forced child marriage It examines the ongoing insidious practice via the lens of international human rights laws and contextualising human rights laws and discourses in relation to Middle Eastern Islamic and Jordanian understandings of international law and human rights where the practice is directly impacting young Syrian refugee girls who are seeking refuge in Jordan with their displaced families The book finds that in a juxtaposition of human rights definitions and obligations between the traditional and modern the religious and the secular there are mixed implications for the realisation of universal human rights and that this has consequences for the most vulnerable child refugees As a result Syrian children exist in a precarious situation They are living in a foreign state with an unclear legal status are largely unidentified and in effect stateless It is in this liminal space that Syrian children are vulnerable and voiceless and highly exposed to forced marriages and the resultant violence and possibly death While allowed to continue the practice of child marriage not only

severely impedes upon progressive international human rights efforts to eliminate gender based violence slavery and discrimination but significantly impacts on children s physical mental and emotional health and their opportunities for growth and development in society As a case study this book seeks to inform how vulnerable Syrian children have come to be increasingly confronted by child marriage and to consider why it occurred and continues to occur even though the idea of children being forcibly marriage is considered ethically and legally objectionable within international human rights law
