A.M.,Aeterna Press, As the question will doubtless be asked why we have presumed to write upon a subject which has already been treated so largely and so often by others we make the same reply that one of the ancient Fathers did when a similar question was proposed to him This advantage said he we owe to the multiplicity of books on the same subject that one falls in the way of one man and another best suits the level or comprehension of another Everything that is written does not come into the hands of all and hence perhaps some may meet with my book who have heard nothing of others which have treated better of the same subject Aeterna Press **A History of the Mass and Its Ceremonies in the Eastern and Western Church** John O'Brien,1880 *The Mass* Cardinal Donald Wuerl,Mike Aquilina,2011-02-01 An insightful and practical
