The Matriarch's Devise Sharon Skinner, 2015-11-02 The second book of the popular fantasy series and follow up to *The Healer s Legacy* also by Sharon Skinner If we turn our backs on who we are who knows what danger we ourselves may become Determined to discover the truth of her heritage Kira resumes her journey following the events of *The Healer s Legacy* Together with Milos and accompanied by her loyal companions Kelmir and Vaith she sets sail for the strange land across the Faersent Sea But when she arrives in her mother s homeland what awaits her is not the welcoming arms of loving relatives but a land filled with political strife dark intrigue and a family secret that could shatter everything Accolades This is the second book I ve read by Sharon Skinner this is the sequel to the first book of hers which I read *The Healer s Legacy* and like the first this one s going on the Keep Forever shelf

Theoden Humphrey Another amazing book from Sharon Skinner This book is the 2nd in the trilogy of Kira s saga and it is just as good as the first *The Healer s Legacy* which is saying a lot Dawn V The second book of the series was just as fantastically well written as the first Mrs Skinner has a special gift for writing characters that are so easy to get attached to while at the same time giving us at least one that we love to hate Birbitt
