The Meditations Of My Heart:

The Meditations of My Heart Robert P. Burton, 2011-05-01 The intention of this book is to help you develop your own meditations Various forms of meditation are practiced throughout the world and in order to understand how this term is used in the creation of these writings we should first take a journey into Biblical meditation The oldest languages in the world originate in the Middle East and ancient Hebrew is one of those languages Within the Hebrew culture we find the word Hagah which translated into English means to meditate The word first appears in the Bible in Joshua 1 8 where it says to meditate on God s Word day and night Perhaps the most well known passage where we find this word is in Psalm 1 2 where again it encourages us to meditate on God s Word day and night The Psalmist wrote May the words of my mouth and the meditation of my heart be pleasing acceptable in your sight O Lord my strength and my redeemer Psalm 19 14 My prayer is that you will meditate on these devotionals and write down what God personally speaks to your heart Then put your meditation into action by stepping out in faith readily equipped to apply Godly principles wisdom compassion and understanding more effectively into your daily life

The Meditations of My Heart Robert Burton, 2019-05-16 The intention of this book is to help you develop your own meditations When we hear the word meditation there may be a variety of thoughts that come to mind Various forms of meditation are practiced throughout the world In order to understand how the term is used in the creation of these writings we should first take a journey into Biblical meditation The oldest languages in the world have their origin in the Middle East and ancient Hebrew is one of those languages Within the Hebrew culture we find the word Hagah which translated into English means to meditate The word meditate first appears in Joshua 1 8 where it says to meditate day and night on God s Word Perhaps the most well known passage where we find Hagah is in Psalm 1 2 where again it encourages us to meditate on God s Word day and night The idea in both verses is that of chewing Just as chewing our food many times before swallowing will aid in efficient digestion so the continual examination of God s Word will bring wisdom and understanding The New Testament Greek word meletao translated meditate renders to care for to attend to to practice to be diligent to ponder to imagine Therefore we see a connection between Old and New Testament mediation When we put the two together we can conclude that Biblical meditation begins in quiet thought on God s Word but leads to sound and action the Psalmist wrote May the words of my mouth and the mediation of my heart be pleasing acceptable in your sight O Lord my Rock and my Redeemer Psalm 19 14 The Apostle Paul instructed a young minister to devote himself completely to meditating on God s Word With this in mind I have made it a practice to mediate on God s Word by reading a passage over and over while examining each word and it s content and by listening to the voice of the Holy Spirit to impart wisdom and understanding My prayer is that you will mediate on these devotional and take notes on what God reveals and speaks to you personally Then put your mediation into action by stepping out in faith equipped with God s wisdom

for daily use in the households of Israelites Charlotte de Rothschild,1876 **Meditations of My Heart** Shirley L. Hudson,2009-05 Meditations of My Heart is a collection of soliloquies composed by Shirley Hudson Interacting with happenings in her life she finds analogies that speak to the territory of Christian experience Seeking to provide greater practical and devotional application she has assembled an index in the back of the book listing the various scriptural passages that figured in each meditation The soliloquies were sent out on a weekly basis via email to an ever increasing audience Many who received them expressed appreciation and suggested that they be published in book form in order to have them at hand and to share them with a wider audience Her first hundred meditations were published in a book entitled He Awakens Me This volume contains her second hundred The author hopes and prays that they will not only reach a wider audience but that they will prove to be helpful in promoting that quality of life that truly honors and glorifies her Savior the Lord Jesus Christ **The Bread of Life: a manual of instruction and devotion for the Blessed Sacrament. The preface signed: A. D. C., i.e. Augustine D. Crake** A. D. C.,1870 The Sweetness of Divine Meditation William Bridge,C. Matthew McMahan,2021-06-01 Divine meditation on the word of God is a lost art and science in the spiritual disciplines Christians are often content to read a little and pray a little They often have little to no strategy for godly meditation This is where William Bridge will come in He will not only show the work and way of divine meditation but he will initially set forth its sweetness He teaches that this spiritual discipline is the Christian s daily way of exercising himself in godliness and walking with God and that such a walk is sweet This walking is a picture of persistent communion with Jesus Christ and is eminently sweet in its applications to the soul Bridge s main text is My meditation of him shall be sweet Psalm 104 34 setting forth the doctrine that it is a sweet thing for a gracious soul to meditate on God He shows the true nature and notion of meditation how and in what respects a man may meditate on God and how it is that meditation is a sweet thing and profitable for the Christian In his second part in the work and manner which godly meditation ought to be accomplished he answers some objections He demonstrates that it is the Christian s duty to meditate on God and the things of God that it is a duty for every day how to rightly meditate to make it profitable with some rules to that end and then concludes with arguments and motives to press all Christians to the regular and consistent practice of godly meditation This work is not a scan or facsimile and has been updated in modern English for easy reading It also has an active table of contents for electronic versions

Prayers and devotional meditations, collated from the Psalms by E. Burritt Elihu Burritt,1870 **The Wesleyan-Methodist Magazine** ,1882 **Prayers and Devotional Meditations, collated from the Psalms of David. By Elihu Burritt** ,1870
