The Memorial Hall Murder:

The Memorial Hall Murder Jane Langton, 2012-04-17 With ebullience and good humor the award winning author brings back former detective Homer Kelly now a Harvard professor to solve a killing on campus Eudora Welty An explosion rocks the foundations of Harvard University's stately Memorial Hall Built a century ago to honor alumni who died defending the Union in the Civil War the hall is a focal point of the campus Now it is a crime scene A corpulent body is found inside decapitated by the blast The dead man is Hamilton Dow conductor of the school orchestra and one of the most beloved men on campus The university's president James Cheever couldn't be more pleased Dow had opposed every one of Cheever's attempts to improve and enlarge Harvard and this terrible accident means that Cheever's path to complete domination of the campus is clear But was it an accident Homer Kelly Harvard professor and occasional sleuth is not so sure Cheever was not the only man on campus who wanted Dow dead and as Homer looks for the culprit he finds a terrible secret behind the bombing that turned the Civil War memorial into a tomb *Memorial Hall Murder* Mrs Jane Langton, 1981-03-26

The Boys from St Francis Ashley Mallett,2018-09-13 This remarkable true story pays tribute to a band of Aboriginal boys who grew up together in one group home many succeeding spectacularly in later life In 1945 Anglican priest Father Percy Smith brought six boys from their Northern Territory home to an Adelaide beach suburb There they became the first boys of St Francis a place that would house 50 such boys over 11 years Some were sent with the blessing of their mothers to gain an education Others were members of the Stolen Generations In their interviews with Ashley Mallett many of these men recall Father Smith s kindness and care His successors however were often brutal and the boys faced prejudice in a wider world largely built to exclude Indigenous Australians The Boys from St Francis is a multi layered tale of triumph against the odds using the early building blocks of education and sporting prowess Many of them went on to become fiercely effective advocates for Aboriginal causes achieving significant progress not just for themselves but for Aboriginal people changing their world for the better Activist Charles Perkins the first Indigenous man to receive a university degree commenced his status as a national icon with the 1965 Freedom Rides John Moriarty the first Indigenous man picked for the national soccer team designed the famous Dreaming images for five Qantas planes Harold Thomas created the iconic Aboriginal flag Vince Copley played football for the Port Adelaide Magpies George Kruger worked with Fred Hollows in remote Indigenous communities for nearly 20 years The Boys from St Francis is a sometimes shocking but ultimately hopeful book about black and white Australia told through one constellation of lives sharing one seaside address
